STEWARDSHIP CORNER

STEWARDSHIP—*Receiving God's gifts gratefully.*

The sin of the rich man in today's parable was not that he was rich, but that he failed to share his wealth with the beggar at his gate. He knew Lazarus, perhaps walked by him every time he came in or out, but did nothing to relieve his suffering. Is there a Lazarus in my life? What am I doing to help?

FR. SCOTT'S CORNER

Dear Friends

As you know, I recently published my schedule at the various parishes. I'm trying to spend at least one day a week at each of the four parish communities. I have been enjoying spending time at each one. You are all very different (just like every person is unique), and it has been fun getting to know each personality. It has been nice to meet with various parishioners on their "home turf" rather than having to set up appointments with me only at St. Edward. This has worked out well for me, for our Office Coordinators and for the families and individuals I have met with at each of the parish communities. I have set up an office at each one, and finally have internet connections and access to email at all four. Thanks to the many people who have made that possible. One thing I'd like to clarify is that it's not necessarily designed for "drop in" appointments, however. I am in the office, but usually set up my appointments with people during that office time. Many people have requested appointments with me, and I schedule those during those office hours. I'd love to meet with you, but please call ahead and set up an appointment rather than just dropping by. I schedule my own appointments, so call, email or catch me after mass and we can set up a time to get together.

Yours in Christ,
Fr. Scott Connolly
Pastor
