## *Message from the Administrator...*

Dear Parishioners,

As St. Anthony Parish continues to unroll our programs and bring back as many of our parish practices as are safely possible, there are a few things we want to share with you. Please take a few minutes to read.

With the return of the all-day Adoration of the Blessed Sacrament on Thursdays, we will once again have the key code up and running on the West door of the Church for easy access for any Parishioner wishing to come to church to pray. Over the past 18 months, we have turned off the access and also **CHANGED** the code. **To obtain the new code, please call the parish office at 425-255-3132 and request the code.**

**ALL registered** Parishioners may be given the code, so the receptionist will be required to check our data base to verify your registration, if she does not know you are a parishioner. **PLEASE do not give the code to anyone else.** This is for your safety and that of any other parishioner who comes to the church to pray. Be sure the west door is tightly closed behind you.

After Labor Day, the Parish Office will have open hours, Monday through Friday, 8:30am-Noon and 1:00-3:30pm and conducting parish business with many more staff on-site. If you wish to see someone specific, either make an appointment or call ahead to verify that person will be on-site that day and time. Our staff will be working only 75% of their hours on campus at this point in our return.

St. Vincent de Paul Society will continue to work remotely, attending to the needs of the local Renton community. **No lunches or bags of food will be given out** in the Office until further notice. A once a month food distribution by St. Vincent de Paul Society happens on the third Monday of the month in the parish parking lot. If you are in need of support from St. Vincent de Paul Society, please call 206-767-6449 and make your request. It will be forwarded to our local parish group.

Thanks for your time, and I hope that as we move forward, more and more of our lives begin to feel safe and rewarding. Life has not been easy and when we can stop and think about a blessing or a learning we received through this Covid time, we will have something positive to move forward with. God has been with us through it all and that is the BIGGEST BLESSING. Know you continue to be in my prayers. Feel free to call if you have any questions. My number is 425-277-6195 or email [dschlager@st-anthony.cc](mailto:dschlager@st-anthony.cc).

**Hope and Healing After Abortion**

*"The wounds are real. We need to acknowledge the wounds....The wounds never go away. The wounds of Good Friday were present even after the Resurrection. The wounds never go away. But from those wounds, we will rise again. He calls us to rise from our wounds so we can be one with Him....*

*We are all called to live in His peace." - Bishop Burns*

The gaping wound you feel in your heart that came with your abortion story, He wants to heal. Come let Him clean your wound, as only a loving Father can do, and receive His merciful peace.

## Hand Carved Olive Wood from Bethlehem

### History of Holy Land Handicrafts

The handicrafts trade in the Holy Land has evolved as a cultural tradition of the Holy land people over many centuries and has become an industry of significance to the local economy. Beautiful handmade souvenirs made from the native olive tree provide Christian pilgrims with cherished memorials of their holy pilgrimage. Olivewood artisans use only the pruned and discarded pieces of young olive trees and sprouts from the old, unproductive trees. The artistry of Mother-of-Pearl is a tradition traced to the earth 17th century and has evolved along with the olivewood trade.

The ancient crafts of olivewood and Mother-of-Pearl started in Bethlehem hundreds of years ago when Franciscan monks trained the local population in carving Crosses, crucifixes, and reproductions of the Nativity scene of Jesus birth in Bethlehem and the Holy Sepulcher of Jerusalem. The demand for souvenirs from the Holy Land can be traced to the early centuries of Christianity and the tradition of relic hunters. For centuries, early Christians believed in the spiritual powers of relics, the most sought after being The Holy Grail—the name of a legendary sacred vessel identified with the chalice of the Eucharist—and The True Cross, the actual cross on which Christ was crucified, believed to have been lost when carried into battle during one of the Crusades. Centuries later, Christians learned to satisfy their hunger for relics with other artifacts from the Holy Land, including ordinary stones which have been transported to every part of the earth by pilgrims. Historical documents and writing of Christian pilgrims over the centuries tell of the beauty of the olivewood souvenirs.

**The proceeds are to support Christian Catholic families in the Holy Land since it is the major source of income for them there. We got our wares from more than 75 families in Bethlehem . They are very beautiful and unique items.( Nativities, Crucifixes, Rosaries, Statues). The Christian population has dropped from 22% to less than 2% in the past two decades. And this is a way to support them stay there.**
