Calling all parishes:

One Parish One Prisoner

Experience mutual transformation!

Start the One Parish One Prisoner program at your parish

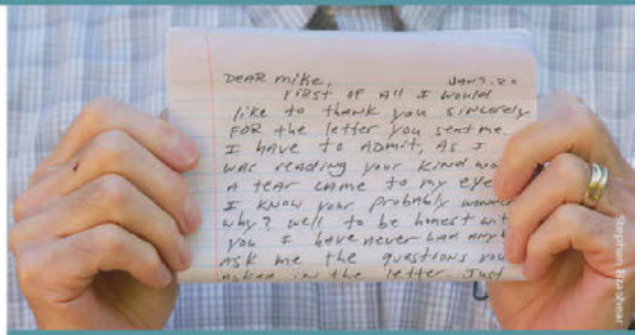

Did you know that there are roughly the same number of incarcerated people in Washington state as churches? Imagine if each of our churches agreed to enter into relationship with just one person in prison.

One Parish One Prisoner is a re-entry model that matches parishes with an incarcerated person for their mutual transformation. A relationship of trust is built through letter writing and prison visits. And when the time comes, this person will find the embrace of an entire parish community who already knows them and can assist with the many obstacles to re-entry.

Is your parish ready to encounter Christ and be transformed? We can equip parishes with orientations, online learning modules, ongoing consultation, meeting structures, resources and materials. Please join this growing movement!

“I received an amazing letter back from Leroy that brought tears to my eyes. I have never been so moved by any letter, from anyone. My eyes and heart are opening to a whole segment of our society which I have only regarded with fear in the past.”

Sarah, parish team member

I love this One Parish One Prisoner idea! Compassion is not a relationship between 'healer' and 'wounded,' but a covenant between equals.”

Father Greg Boyle,
founder of Homeboy Industries
