EASTER by Rev. Paul Turner

On Easter Sunday we celebrate the resurrection of Jesus from the dead. On this day the disciples saw the empty tomb, and the risen Jesus began to appear to them. Easter celebrates our belief in life after death. It ranks first among the feasts of the church.

The Easter Sunday Mass differs a bit from others. The new paschal candle is lighted and stands near the ambo. Having omitted the Glory to God throughout the season of Lent, we sing it again. The Easter sequence is said or sung after the second reading. During Lent we sang a different acclamation before the Gospel, but now we sing "Alleluia" again. In the United States the creed may be replaced with the renewal of baptismal promises and the sprinkling of holy water on this day.

There are small changes to the eucharistic prayer. If you are alert, you will hear during the preface that Christ became our paschal sacrifice "on this day." If the priest is using Eucharistic Prayer I, he announces that this is the day of the resurrection of the Lord and that the community prays especially for those newly baptized at the Easter Vigil.

At the end of the Mass, the deacon or priest adds two "alleluias" to the words of dismissal, and you respond, "Thanks be to God, alleluia, alleluia."

Attendance is strong on Easter, as all those who profess faith in Christ join together in a single celebration. Many worshipers like to dress up for the occasion. The main Easter liturgy is the Easter Vigil on Saturday night, and all Catholics should make every effort to participate in it. But Easter Sunday remains a popular choice for affirming one's faith in the risen Christ.
