## Honduras Mission

Our Honduras Mission Team is back safely from their yearly trip. Thank you to all of our parishioners who made this trip possible.

The Honduras Mission Team, consisting of 27 people made up of 10 lay people, 6 doctors, 2 Physician Assistants, 6 nurses, 2 PTs, and 1 Pharmacist, would like to share our experiences in this year's mission trip. We were joined by 8 members of the Honduras Mission Group from Bethlehem Church of Pemberville, Ohio. Their team provides Sawyer water filters to each family along with follow up visits to monitor effectiveness, reinforce education on usage and maintenance of the filters and collect data to be scientifically analyzed. The water filter team saw, on average, 80 families each day. Overall we saw 1,043 people in five days made up of 496 'families'. We provided our patients with basic health care and examinations and a one month supply of medications and/or vitamins and chronic illnesses (diabetes and hypertension) received a 6 month supply at a cost of \$9.50 per person. Every family received a large tube of toothpaste and toothbrushes. We tended to two emergencies during the first two days- a fractured upper arm and an 8 day old foot wound that required debridement and antibiotics. Other notable conditions treated were: excise of a melanoma, drainage of an abscess, providing footwear for a woman born with two club feet, foot and toenail care for at least 15 severely ingrown toenails, provision of compression stockings for over 60 people, and clothes or a pair of shoes for every client. Two villages were provided with approximately 140 pieces of horse equipment which included 6 saddles. Members of our team enjoyed a competitive and fun game of soccer against our Honduran hosts and interpreters. We also enjoyed a "Bingo night" with children from the orphanage. Merchants from the Valley of the Angels visited the compound where we stay, providing us with an opportunity to do some 'tourist' shopping. We thank you, the parishioners, for your prayers and support of our mission endeavors. You are a major reason we are capable of providing the care these people deserve and need. If you are interested in joining our ranks we welcome you with open arms. Our next meeting is Tuesday, April 15th, 2025, at 7 PM in the parish center.

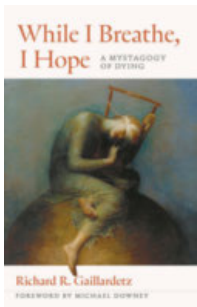

Or contact Jackie Murphy at (206) 730-8637.

# St. Leo & St. Charles Social Justice

## Healthy Democracy

**We are called to protect and promote healthy Democracy in the U. S. and Around the Globe - Pope Francis: Indifference is a 'cancer of democracy' (8/8/2024).**

The following are excerpts from a US Catholic Conference of Bishops article on Democracy:

Pope Francis emphasized the critical role of Catholics in political life to combat the global decline of democracy, urging active participation, social solidarity and the rejection of indifference and exclusion. "As Catholics, in this regard, we cannot be content with a marginal or private faith," he said. Yet bringing one's faith into the public sphere means "not so much to be heard, but to have the courage to make proposals for justice and peace in the public debate."

<https://www.usccb.org/news/2024/pope-indifference-cancer-democracy>

IN THIS COUNTRY it is imperative that we engage the political process. Our expression of democracy is that of a representative form of democracy in a governmental system that has three co-equal branches of government – the Executive, Legislative & Judicial.

- Executive Branch: Responsible for enforcing the laws passed by Congress.
- Legislative Branch: Also known as Congress, is responsible for making laws, making a budget and managing the money (The Federal Purse).
- Judicial Branch: Responsible for interpreting the laws and ensuring that they are applied fairly and consistently.

By its statements and most recent actions, the current Administration (Executive Branch) is overstepping its authority by trying to control federal financing. Moreover, the Legislative Branch is ceding its authority over the Federal Purse – The responsibility and duty to finance the government!

This imbalance is disrupting our democratic system of governance and thereby against the call by Pope Francis to protect and make healthy democratic governments as they are the very frameworks protecting Human Rights and the Planet.

It is made crystal clear by the words of Pope Francis and Catholic Social Teaching that we are to make our voices and morals of our faith known to those in power. Democracy must be protected, and the right order of governance be restored to these United States of America. This is not about being partisan on this issue but Patriotic & Catholic!

I urge all of you to call your representatives, asking them to restore the co-equal branches of our government, protect human rights and the health of our land! It is time for us to be prophetic voices of justice and love.

Contact your representatives in Congress now:

**Creator God,**

**You call us, as members of the body of Christ, to serve one another. This Lent, may we be your eyes, to see with compassion. May we be your hands and feet, to serve with love.**

**By encountering you in the Bread of Life, may we joyfully share bread for life with all members of our global family.**

**Amen**

## Empowered Leaders Organization - Advocacy Training Session

Through the upcoming training sessions, we are investing in an organizing/advocacy infrastructure for our parish, the community to address not only issues of food sustainability/security and ecological Justice but other issues as they arise over time. There is a need in these challenging and unstable times to be always prepared for the Work of Justice together, in all seasons and for all concerns voiced by the People and the Planet! Yes, our current focus is food justice and ecology/sustainability. The justice/advocacy structure that we are attempting to build is to be the scaffolding upon which organizing, and action takes place. It is to be sensitive to various concerns as they are realized through the community and relationships we forge in this work of justice.

So, take heart and be of good faith – join us on Sunday March 3rd from 11:00am to 2:00pm for our 1st major training session to build this needed “Scaffolding for Justice” we need to organize and advocate for justice! Location to be announced soon!
