## WHICH WORD CAN YOU SEE?

"Declared the beloved Son of the Father at the Baptism in the Jordan, Christ is the one who announces the coming of the Kingdom, bears witness to it in his works and proclaims its demands. It is during the years of his public ministry that the mystery of Christ is most evidently a mystery of light" (Pope St. John Paul II).

Last weekend we celebrated the great feast of the Epiphany. The word "epiphany" means a manifestation, or "a shining upon." When Christ came into the world, he said, "I am the light of the world." He came to shed his light upon all mankind. Although the Magi saw this light when he was but an infant, that light remained mostly hidden until his baptism by John in the Jordan. This light is given to the Church to bring it to the ends of the earth. Hence, while Christ is the light of the world, he can also truly say, "You are the light of the world."—Fr. Kevin
