# LITURGICAL LIFE

## RESPONDING *to the Call*

### EVERYDAY STEWARDSHIP

#### Recognize God In Your Ordinary Moments

##### All in the Family

At first glance, we can often find the image of the Blessed Mother, St. Joseph and the Christ Child intimidating — who are we to aspire to that level of discipleship? How could we ever hope to conform ourselves to that mold? Sometimes, it can even be painful — perhaps we hail from a broken family or struggle with a broken relationship within our family, or perhaps we long to be a mother or a father ourselves and that state in life has eluded us.

But the image of the Holy Family is, in reality, a beautiful invitation to us all, no matter our vocation or our state in life, and the example of Mary, Joseph and Jesus is rich with the symbolism of stewardship.

You need not be a biological mother who has carried a child in her womb to be a mother in spirit. Who in your world needs you to love them with the heart of a mother?

The same goes for fatherhood. The Church and the world are crying out for the courageous witness of Christian men like St. Joseph. Who can you love with the steadfast, selfless protection of a father?

Who in your life needs you to love them with the faithful, unconditional love of a son? Who needs your gentle and constant love as a daughter?

We are the Body of Christ, friends. Those of us rejoicing in heaven, those of us suffering in purgatory, and those of us struggling here on earth. We are the great family. Let us love each other well.

— Tracy Earl Welliver, MTS

### WHY DO WE DO THAT? Catholic Life Explained:

#### Question:

I have been away from the Church for a few years and really want to get active again, not so much for me, but for my children. Is this a bad reason to come back to Church?

#### Answer:

If you are on your way to the supermarket, and you are forced to detour from your usual route because of road work, does the food you buy taste different? Is the meal less filling? Are the vegetables less tasty? Of course not. In our faith journey, there are many detours called sin. Some are greater than others, some are even a bit longer. But God's grace comes to us in ways we understand and recognize and need. Your children leading you back to the Church is not as important as the fact that you are back.

This is an opportunity for you to renew, strengthen, and deepen your faith. Regardless of how we get to Church, or what draws us closer to God, the fact is we are there. Do what you need to do to get right with God and the Church. Go to confession, begin good family religious practices, and be involved in the ministries your parish offers. Be more than a lukewarm parishioner. Be the kind of Catholic you want your children to be.
