Once again we mark the beginning of a New Year. Outside of purchasing a new calendar and remembering to write the date correctly on our checks, many people don't see the spiritual significance of time. We are bound by it and there are so many reminders we are not in charge of it. Events and happenings all around us remind us that we cannot hold back the forces of time nor its effects on our bodies. A somewhat depressing experience is finding an old driver's license and seeing how much one has changed over the years. That happened to me a few weeks ago.

The custom of making New Year's resolutions is a way for us to recognize that we need to make wise choices with the time that we have. I'm sure a number of people in the parish will be making one or more New Year's resolutions this year in the attempt to better themselves and to make more wise choices with the precious gift of time that we all have.

We can also make spiritual resolutions by finding specific things that we can do to strengthen our faith in Christ and to walk more faithfully as a people who are set apart to do God's works.

As we begin another year together as a community of faith, I hope we will all consider trying to do something unique for this upcoming year to strengthen our faith and to be reminded that God holds all time and God is using time as a means for us to discover His plan of salvation.

There are many ways to get involved in our community and to participate in some of the variety of activities that are being offered. We always face the temptation of trying to do too much but we also can face the temptation to do very little. 2022 will be another marvelous opportunity to discover the timeless nature of God's love and mercy. We cannot control time but we can ensure that all time is seen as a gift and means to constantly rediscover God's gracious will for our lives.

May this be a year full of blessings and the constant discovery that God's grace will once again be sufficient for all of us as we face the challenges and joys of another year journeying together closer and closer to our eternal home.

In Christ,  
Fr. Jim Northrup ~ Pastor

THE SOLEMNITY OF MARY,  
THE HOLY MOTHER OF GOD

Heavenly Father, You blessed the Virgin Mary with the fullness of grace. She is my model of faith, hope, and love. I give this new year to her intercession and ask for her holy prayers. Place my needs into the protection of her motherly love. With her help, I want my faith to grow. Give me an increase in the virtue of hope when troubles tempt me to despair. Guide me in understanding Your infinite love. And join my heart, dear Lord, to the Holy Mother's Immaculate Heart, so that I may improve in loving everyone unconditionally. In imitation of my Savior, Jesus.

Amen.
