CANA CORNER

"The Christian family is called upon to offer everyone a witness of generous and disinterested dedication to social matters, through a "preferential option" for the poor and disadvantaged. Therefore, ad-vancing in its following of the Lord by special love for all the poor, it must have special concern for the hungry, the poor, the old, the sick, drug victims and those who have no family.

-John Paul II, *Familiaris consortio*, 47

Marriage and family are important for building the Kingdom of God. We are Nathan and Sarah Bartel, local parishioners at St. Andrew's, and we have created online materials to strengthen your Catholic marriage at www.canafeast.com. Come check out our free resources!

Witness to Love Marriage Preparation

Witness to Love's unique methodology transforms existing models of Marriage Formation into a process that not only prepares couples for the Sacrament of Matrimony but also enriches existing marriages among mentors chosen by the engaged. This two for one evangelization process is founded upon classical principles of relational virtues in a way that truly renews trust among young Catholic couples and families as well as the parishes that become their new home of faith.

Witness to Love provides this process through leadership formation as well as through sacramental preparation and enrichment ultimately leading to parish renewal. The focus is to create an environment platform through the Marriage Mentors that draw couples closer together to Christ and the Parish. For more information, contact:
