Dear Parishioners of ICC and SJV,

I hope you are all enjoying the beautiful summer weather – God has been good to us this year! A couple of weeks ago we had a very successful Vacation Bible School with twenty-two kids in attendance. A big thank you to all our volunteers who made that week possible.

As has been announced last week, starting the weekend of September 4th and 5th, we will be transitioning back to our pre-pandemic Mass schedule of 5pm on Saturday, 9am on Sunday, and 12pm in Darrington. This means that we will no longer be offering the 10:30am Mass on Sunday in Arlington. This is because four Masses a weekend is a heavy burden on me, retired priests who fill-in, and the many choir members and liturgical ministers who have been helping at multiple Masses a weekend. I know this will be challenging for some of you, but know that this shift in the schedule is ultimately to help me have the energy and stamina to serve you for many years to come! I thank you all in advance for your patience and understanding in this matter.

And lastly, I would like to offer a gentle reminder that as we transition back to a sense of “normal” in our parish communities, please continue to be safe and use good judgement. If you are not feeling well, stay home until you are better – we are still livestreaming our 9am Sunday Mass. I also highly encourage you to wear a mask on campus if you are not yet vaccinated. Let’s all work together to keep each other healthy. May we continue to pray for one another, our parish communities, and for more vocations to the holy priesthood.

Respectfully Yours in Christ,

Fr. [Signature]

What is a transitional deacon?

There are two types of deacons in the church. Both are members of the clergy. Both have the same liturgical role. Both have the service of the community as their primary work.

One is called a permanent deacon, usually a married man ordained as a deacon with no intention of becoming a priest. They preach, baptize, witness marriages, conduct funeral services, and look after the needs of the poor. They also visit the sick and take Communion to them, although they cannot celebrate the sacrament of the Anointing of the Sick. They might also assist the pastor in his administrative duties. Permanent deacons are usually well known and respected in their communities and have roots there.

A transitional deacon is one who functions as a deacon for a period of time prior to ordination as a priest. His diaconate assignment serves as a kind of internship of ordained ministry. During his year or two as a deacon, he will learn the practical aspects of parish life, getting a firsthand look at the life of a priest. His work has a different focus than a permanent deacon in that he is looking forward to ordination as a priest. ©LPi
