## Excerpt from Fr. Frank's Homily, February 21, 2021, 1st Sunday of Lent "Hope is On the Horizon"

Baptism is a celebration of new life, a welcome into the Body of Christ the Church, and also an opportunity for family to gather in a spirit of celebration. After his baptism in the Jordan however, Jesus was clearly not led into a celebration or banquet. He was led into the desert, a place of dryness, a place of work, a place of hunger and thirst, and a place of temptation. As I have shared with you in the past, wherever we are most blessed in our life, this is where the devil will attack us. You can set your watch to it. If God has blessed us by a gift of relationship with him through the Sacraments, the temptation to reject his gift will surely follow sinners that we are. This is why it makes sense that, after Jesus' baptism in the Jordan, he is led into the desert. Where he goes, we must follow.

The first Sunday of Lent this year feels like an anniversary. A year ago, we were just coming to grips with COVID-19. The whole world changed in a blink of an eye and our lives were turned upside down. A year later, it feels like we are starting to see light at the end of the tunnel. God promises Noah in our first reading from Genesis that better days are coming. It feels like God is offering us the same consolation today. We are not there yet, but hope is on the horizon. When you consider that the very word "lent" comes from a word meaning "springtime," perhaps this is the best way to understand Lent this year. **Hope is on the horizon. How do we get there?**

Lent of course began with Ash Wednesday. This was a day that reminded us to get our priorities in order because we are dust and to dust we shall return. Ash Wednesday taught us to not take our lives for granted or put off to tomorrow what we should be doing today. In that sense, Ash Wednesday was also a reminder to live each day to the fullest and to live as a people of hope. This is where Lent is leading us. Our destination is Easter Sunday and the hope for our eternal salvation. **That hope in the future gives us a reason to not only carry our cross but to also embrace it.**

My friends, the season of Lent teaches us that being a disciple of Jesus isn't always about the good times. Our character is sometimes measured by how well we make it through the hard times. A year into this pandemic, every one of us has had our moments of discouragement. If we are honest with ourselves, we can probably look back on this past year and count a number of ways we have failed. As we begin Lent this year, we have the opportunity again to turn away from the futility of our past way of doing things and follow Jesus. What are the areas in my life I have been spiritually lazy? What are the areas in my life that I need to become more spiritually serious? What are the areas in my life that I need to not just pick up my cross but to embrace it? What are the ways I need to be more loving to the people around me, especially the most vulnerable? *What is it going to take for me to follow Jesus into the desert these coming weeks?*

I think this is really the reason why we celebrate the day of our baptism. The day of our baptism was not a destination. It was a beginning. Our baptism says we belong to Jesus. No matter what cross we have in store for us in the course of our lives, we have been given a compass to our destination. That is something worth celebrating. And even though we have to deal with challenges and temptations along the way, when we stay close to Jesus, there is no reason to ever feel lost. With Jesus as our guide, there is never room for despair. With eyes fixed on Jesus, and by keeping one foot in front of the other, **our future is always full of hope.** Believe it. **Lent shows us the way.**

## Year of St. Joseph

To mark the 150th anniversary of the declaration of Saint Joseph as Patron of the Universal Church, Pope Francis proclaimed a "Year of St. Joseph." Pope Francis started this year on December 8, 2020 in his Apostolic Letter "Patris corde," which translates to "With a Father's Heart." You can read the full Apostolic letter here: <https://archseattle.org/year-of-st-joseph/>

This year was established to reaffirm St. Joseph's patronage in the Church and so that "every member of the faithful, following his example, may strengthen their life of faith daily in the complete fulfillment of God's will."

During the ongoing challenges of the pandemic, Pope Francis is keen to recognize St. Joseph as a father who made hidden sacrifices as he lovingly cared for Mary and Jesus.

"Each of us can discover in Joseph - the man who goes unnoticed, a daily, discreet and hidden presence - an intercessor, a support and guide in times of trouble."

St. Joseph is also highlighted as a model for us all, as a beloved, tender, obedient, accepting and creatively courageous working father who served his family.

At the request of the Archbishop, all parishes are now offering a Safe Environment class for middle and high school youth, called "Safe Touch." The goal of this program is to help educate our youth about what is and is not acceptable behavior from adults in their life and what to do if you feel that your boundaries are being violated. This is an optional class, but is being offered free of charge to any families who want their child to participate and hear this important information. **THIS IS THE SAME CURRICULUM OFFERED IN ALL OF OUR CATHOLIC SCHOOLS, it will now be offered to all of our parish kids as well. If your child attends a Catholic school, they**

**have already received this information.** Since the nature of this topic is so sensitive, and the end goal is to have discussions with parents on these matters, parents are welcome to attend this class along with your child.

## A SVdP Story From Gary Bellinghausen 1/3/2021

A few days before Christmas a single father with three children under 10 came to St Vincent de Paul looking for help with his rent and utility bill. The bills were due January 1 and he had lost his regular job due to COVID and his current part-time delivery job was not going to cover the bills. We were able to work with the apartment management and PSE and use contributions parishioners made during the year to pay both bills. In addition, we surprised Dad with gift cards that parishioners had donated to the Giving Tree. He was beyond grateful for the help St Teresa Of Calcutta gave him during his family's time of need.

AND:

From Sarah: "To the generous members of Saint Teresa of Calcutta Parish who donated to the giving tree: 'You made Christmas for the kids.'"

"When people need help, we'll be there; that is our calling" (SVdP Seattle). It is through the generosity of our parishioners that our parish St Vincent de Paul ministry is able to reach out to those in desperate need within our general Woodinville community. The last weekend of the month is the monthly collection for SVdP. Envelopes can be found on the tables in the narthex. You can also offer ongoing financial support by utilizing Online Giving.
