“I am the living bread that came down from heaven; whoever eats this bread will live forever; and the bread that I will give is my flesh for the life of the world.” The Jews quarreled among themselves, saying, “How can this man give us [his] flesh to eat?” Jesus said to them, “Amen, amen, I say to you, unless you eat the flesh of the Son of Man and drink his blood, you do not have life within you.”

The week of May 24-28 was the school’s annual Culture Fair. Each grade has a special focus. Some classes studied a country together and to learn it’s history, others had individual focuses.

Take a look at a couple of highlights from our First and Second Grade Classes:

The students in Second Grade researched a topic for the Country of Japan and helped set up a display.

First graders researched a culture important to their family and presented to the class.
