WHAT IS CATHOLIC LIBERAL EDUCATION?

Students will be provided a scholarly education where they will be fully immersed in our Catholic faith. Catholic Liberal Education emphasizes forming human beings with the wisdom to know the truth as well as the virtue to understand how to live by this truth. Lessons will no longer be test driven. Instead, students will experience teacher directed instruction that strives for mastery of the content.

WHY CATHOLIC LIBERAL EDUCATION?

With a track record of 2,500 years, Catholic Liberal Education keeps Christ at the center of all things and has proven to be the gold-standard of education.

Teaching core subjects with the goal of building our students’ foundation of knowledge while inspiring a lifelong love of learning enables students to explore the meaning and purpose of all created things.

WHAT TO EXPECT FROM CATHOLIC LIBERAL EDUCATION:

⇒ Students that are excited, and eager to learn.
⇒ A greater emphases on Western Civilization and Latin in all grade levels.
⇒ Deeper conversation and understanding of content through Socratic Discussion in the classroom.
⇒ A greater appreciation for the arts.
⇒ Technology is used as a tool and not be a replacement for exceptional instruction.
Would you be interested in a full day Preschool experience for your 3-4 year old?

Our Lady Star of the Sea Catholic School is exploring the possibility of offering full-day preschool for students from 3 to 4 years old! The new students would arrive to Star at the same time as the rest of the students and would leave at the end of the instructional day. Tuition would be based on the same scale as the school, and parents with students enrolled in our K-8 program could qualify for tuition assistance.

**Preschool Students Will:**

- have daily academics to prepare them for entrance into Kindergarten.
- have multiple opportunities for exciting play in a loving environment.
- have opportunities to learn more about their faith.

There is also the possibility for a half day schedule if that is something you would want.

If this is something you would be interested in, please contact the school!
