30TH SUNDAY IN ORDINARY TIME

The Pharisee and the Publican (Tax Collector): Barent Fabritius

The Humility of the Tax Collector

The tax collector, completely aware of his unworthiness, beats his breasts and prays, “O God, be merciful to me a sinner.” Where does he get the confidence to do this? His experience of limitation and failure has led him not to despair, but to depend. He remains certain that there is something beyond “every evil threat” and that the Lord will rescue him. Maybe he had in mind the promise of Sirach: “The Lord hears the cry of the oppressed. The prayer of the lowly pierces the clouds.” This is why the formerly anti-Christian Paul can say without boasting: “From now on the crown of righteousness awaits me.” For “whoever humbles himself will be exalted.”

BENEFITS TO READING ALOUD

Parents at Star are reminded how vital it is to **Read Aloud** to their child at **all age levels**. A large component of our classical model consists of reading aloud to our students throughout the school day.

Studies have shown that this practice both at home and school can directly impact the negative results many children have experienced due to Covid.

Lives of the Saints

SAINT ANTHONY MARY CLARET

Feast Day: October 24

The “spiritual father of Cuba” was a missionary, religious founder, social reformer, queen’s chaplain, writer and publisher, archbishop, and refugee. He was a Spaniard whose work took him to the Canary Islands, Cuba, Madrid, Paris, and to the First Vatican Council. In his spare time as weaver and designer in the textile mills of Barcelona, Anthony learned Latin and printing. Ordained at 28, he was prevented by ill health from entering religious life as a Carthusian or as a Jesuit, but went on to become one of Spain’s most popular preachers. Anthony spent 10 years giving popular missions and retreats, always placing great emphasis on the Eucharist and devotion to the Immaculate Heart of Mary. It was said that his rosary was never out of his hand. At age 42, he founded a religious institute of missionaries beginning with

five young priests, known today as the Claretians.

Anthony was appointed to head the much-neglected archdiocese of Santiago in Cuba. He began its reform by almost ceaseless preaching and hearing of confessions, and suffered bitter opposition mainly for opposing concubinage and giving instruction to black slaves. A hired assassin—whose release from prison Anthony had obtained—slashed open his face and wrist. Anthony succeeded in getting the would-be assassin’s death sentence commuted to a prison term. His solution for the misery of Cubans was family-owned farms producing a variety of foods for the family’s own needs and for the market. This invited the enmity of the vested interests who wanted everyone to work on a single cash crop—sugar. Besides all his religious writings are two books he wrote in Cuba: Reflections on Agriculture and Country Delights.

He was recalled to Spain for a job he did not relish—being chaplain for the queen. Anthony went on three conditions: He would reside away from the palace; he would come only to hear the queen’s confession and instruct the children; and he would be exempt from court functions. In the revolution of 1868, he fled to Paris with the queen’s party, where he preached to the Spanish colony.

All his life Anthony was interested in the Catholic press. He founded the Religious Publishing House, a major Catholic publishing venture in Spain, and wrote or published 200 books and pamphlets.

At Vatican I, where he was a staunch defender of the doctrine of infallibility, Anthony won the admiration of his fellow bishops. Cardinal Gibbons of Baltimore remarked of him, “There goes a true saint.” At the age of 63, he died in exile near the border of Spain.
