# MARCH 26, 2023

## 5<sup>TH</sup> SUNDAY OF LENT

*The Raising of Lazarus: James Martin*

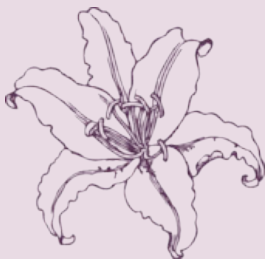

### OUR FRIEND LAZARUS IS ASLEEP, BUT I AM GOING TO AWAKEN HIM

(Jesus) tells this to his disciples, expressing God's viewpoint on physical death with the metaphor of sleep. God sees it exactly as sleep from which he can awaken us. Jesus has shown an absolute power regarding this death, seen when he gives life back to the widow of Nain's young son (Lk 7:11-17) and to the twelve-year-old girl (Mk 5:35-43). Concerning her he said, "*The child is not dead but sleeping*", attracting the derision of those present. But in truth it is exactly like this: bodily death is a sleep from which God can awaken us at any moment.

This lordship over death does not impede Jesus from feeling sincere compassion for the sorrow of detachment. Seeing Martha and Mary and those who had come to console them weeping, Jesus *became perturbed and deeply troubled*, and lastly, *wept*. Christ's heart is divine-human: in him God and man meet perfectly, without separation and without confusion. He is the image, or rather, the incarnation of God who is love, mercy, paternal and maternal tenderness, of God who is Life. Therefore he solemnly declared to Martha: "*I am the resurrection and the life; whoever believes in me, even if he dies, will live, and everyone who lives and believes in me will never die.*" And he adds, "*Do you believe this?*" It is a question that Jesus addresses to each one of us: a question that...asks us to entrust ourselves to him as he entrusted himself to the Father. Martha's response is exemplary: "*Yes, Lord; I have come to believe that you are the Christ, the Son of God, the one who is coming into the world*". Yes, O Lord! We also believe, notwithstanding our doubts and darkness; we believe in you because you have the words of eternal life.

-POPE BENEDICT XVI

## CYCLE OF LIFE

**A**s part of Nature Studies, 3rd grade students are currently learning about life cycles. This week they began by looking at the life cycle of a strawberry plant and then rendering each stage of growth in their nature journals.

The students discussed how much detail is in each stage of growth, and how God created every fruit bearing plant to flower before its fruit begins to grow, showing us how much he wants to share beauty with us.

## LOVE in Action

**Thank you for your heart-filled giving to children in need! Your generosity is making a HUGE difference in our community.**

As we quickly approach our one year anniversary come May, it is worth noting the deliverables our ministry has been able to achieve due to your loving support. To start, your generous giving during our Baby Bottle fundraiser raised \$6654.00. Monies from the baby bottle campaign are continuing to trickle in. THANK YOU!

With these funds we have already purchased six new car seats for children who did not own one before. The remaining funds will be used to purchase needed baby gear, diapers, wipes, medical supplies, and more needed items. As funds allow, this will supplement parishioner giving via our Tot's Shop Donation's Crib located in the vestibule every first Friday of the new month.

Our average number of families visiting per opening is now 13. Thanks be to God that number is steadily growing and we are able to continue to provide each month.

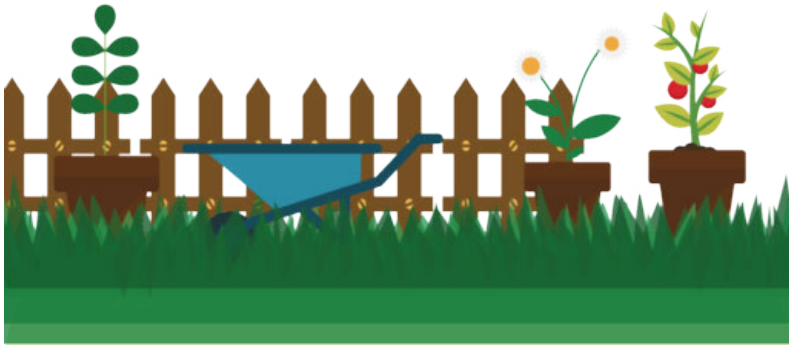

As of March, **we have helped 119 children from 52 families.** Donations to these families include::

- **1689 items in clothing, blankets, nursing supplies, bottles, eating utensils, medical and hygiene related items, toys and books.**
- **8 strollers, 2 high chairs, 5 playpens, 3 baby baths, 3 walkers, 5 bouncy chairs and other miscellaneous baby and child care items.**
- **616 large bundles of diaper packages**
- **224 packages of wipes**

**Your generosity is Love in Action indeed! ❤️**

Friends, your support of families and children in our community is more appreciated than you know. Thank you to ALL who have given and to ALL of the AMAZING VOLUNTEERS who have dedicated countless hours in setting up and breaking down the shop, serving families, and managing an insane amount of inventory each week. Lastly, thank you OLSOS Staff and Father for all you have done and continue to do to keep Mary's Little Tots Shop running smooth. You all are a God send and may you each be blessed abundantly!

## Lives of the Saints

SAINT LUDOVICO OF CASORIA

Feast Day: March 30

Born in Casoria, near Naples, Arcangelo Palmentieri was a cabinet-maker before entering the Friars Minor in 1832, taking the name Ludovico. After his ordination five years later, he taught chemistry, physics, and mathematics to younger members of his province for several years.

In 1847, he had a mystical experience which he later described as a cleansing. After that, he dedicated his life to the poor and the infirm, establishing a dispensary for the poor, two schools for African children, an institute for the children of nobility, as well as an institution for orphans, the deaf, and the speechless, and other institutes for the blind, elderly, and for travelers. In addition to an infirmary for

friars of his province, he began charitable institutes in Naples, Florence, and Assisi. He once said, "Christ's love has wounded my heart." This love prompted him to great acts of charity.

To help continue these works of mercy, in 1859 he established the Gray Brothers, a religious community composed of men who formerly belonged to the Secular Franciscan Order. Three years later, he founded the Gray Sisters of St. Elizabeth for the same purpose.

Toward the beginning of his final, nine-year illness, Ludovico wrote a spiritual testament which described faith as "light in the darkness, help in sickness, blessing in tribulations, paradise in the crucifixion, and life amid death." The local work for his beatification began within five months of Ludovico's death. He was beatified in 1993 and canonized in 2014.
