JULY 9, 2023  
14<sup>TH</sup> SUNDAY IN ORDINARY TIME

*Suffer the Little Children to Come to Me: Juliaan de Vriendt*

## MEEK AND HUMBLE OF HEART

Jesus declares, “*All things have been handed over to me by my Father.*” The pinnacle of this is the handing over of “the Spirit who raised Jesus from the dead.” Christ assures us that what the Father has handed over to him is the ability to console those “*who labor and are burdened.*” These things of heaven are “*revealed to little ones*” because they refuse to rely on themselves, and thus they remain best disposed to receive all that God is eager to give. They “*rejoice heartily*” and “*shout for joy*” at the coming of our meek King, who, by his very presence, “*proclaims peace to the nations.*”

- MAGNIFICAT VOL. 25, NO. 5

*See, Your King comes to you humbly.*  
ZECHARIAH 9:9

## Lives of the Saints

ST. BENEDICT

Feast Day: July 11

It is unfortunate that no contemporary biography was written of a man who has exercised the greatest influence on monasticism in the West. Benedict is well recognized in the later *Dialogues of Saint Gregory*, but these are sketches to illustrate miraculous elements of his career.

Benedict was born into a distinguished family in central Italy, studied at Rome, and early in life was drawn to monasticism. At first he became a hermit, leaving a depressing world—pagan armies on the march, the Church torn by schism, people suffering from war, morality at a low ebb.

He soon realized that he could not live a hidden life in a small town any better than in a large city, so he withdrew to a cave high in the mountains for three years. Some monks chose Benedict as their leader for a while, but found his strictness not to their taste. Still the shift from hermit to community life had begun for him. He had an idea of gathering various families of monks into one "Grand Monastery" to give them the benefit of unity, fraternity, and permanent worship in one house. Finally he began to build what was to become one of the most famous monasteries in the world—Monte Cassino, commanding three narrow valleys running toward the mountains north of Naples.

The Rule that gradually developed prescribed a life of liturgical prayer, study, manual labor, and living together in community under a common abbot. Benedictine asceticism is known for its moderation, and Benedictine charity has always shown concern for the people in the surrounding countryside. In the course of the Middle Ages, all monasticism in the West was gradually brought under the *Rule of St. Benedict*.

Today the Benedictine family is represented by two branches: the Benedictine Federation encompassing the men and women of the Order of St. Benedict; and the Cistercians, men and women of the Order of Cistercians of the Strict Observance.
