*Christ Teaching from Saint Peter's Boat: Herman Saftleven*

## THE EARS OF THE HEART

Remember what the Lord said: *"if anyone has ears to hear, let them hear."* Everyone present there had the ears of the body; but since he said to all who had ears, *If anyone has ears to hear, let him hear*, he surely meant the ears of the heart. Take care then, that the word which you have received remains in the ears of your heart; take care that the seed does not fall beside the way, lest the evil spirit come and take away the word from your memory; take care that rocky ground does not receive the seed and send forth the fruit of good works without the roots of perseverance.

- ST. GREGORY THE GREAT

*The Seed that falls on good ground  
will yield a fruitful harvest*

LUKE 8:8

## PRAYER REQUESTS

*In your kindness and charity towards others, please pray for  
the sick, homeless, homebound, the imprisoned, the unemployed, all our  
military overseas, and all who are held in our hearts:*

**Linda McDaniel, Arthur Lente, Nathan Dixon, Cole Eckert, Walt Brown, Felix Fabellano, Andras Ordog, Lacsamana family, Ray & Patrick Costello, Michael Childs, Sharon Christodoulou, Dom Monzon, Glenda Isbell, Kim Marbais, Linda B, Jose Materne, Joan Halmrast, Iva M Lehmann, Sharona Belles, Ross Smith, Benny Castro, Anthony Lente, Melody Chanco, Steven & Sonia Pickering, Cheryl Browne, Phil Bawden, Teresa Aragon, Antonio Charles, Leo Fuentes, Dianne Huebert, Leonila Francisco, Randall family, Elsa Gragasin, Sandra Pick, Brenna Morgan, Steve & Brenda Walke, John Lange, Dominique Neidig (Lefaive), Teri Conklin, and Kris Ceithamer.**

For the repose of all the souls who have died, especially **Darrell Christen**. May God grant them the joy of eternal life and peace for their families.

Fraternus is a Catholic brotherhood for all ages. For over a decade Fraternus has been recovering the lost art of mentoring, harnessing the power of brotherly men and fathers, and teaching the virtues rooted in Christ as the path to authentic manliness.

## Lives of the Saints

ST. CAMILLUS DE LELLIS

Feast Day: July 18

Humanly speaking, Camillus was not a likely candidate for sainthood. His mother died when he was a child, his father neglected him, and he grew up with an excessive love for gambling. At 17, he was afflicted with a disease of his leg that remained with him for life. In Rome he entered the San Giacomo Hospital for Incurables as both patient and servant, but was dismissed for quarrelsomeness after nine months. He served in the Venetian army for three years.

Then in the winter of 1574, when he was 24, Camillus gambled away everything he had—savings, weapons, literally down to his shirt. He accepted work at the Capuchin friary at Manfredonia, and was one day so moved by a sermon of the superior that he began a

conversion that changed his life. He entered the Capuchin novitiate, but was dismissed because of the apparently incurable sore on his leg.

Back at San Giacomo, his dedication was rewarded by his being made superintendent. Camillus devoted the rest of his life to the care of the sick. Along with Saint John of God he has been named patron of hospitals, nurses, and the sick. With the advice of his friend Saint Philip Neri, he studied for the priesthood and was ordained at the age of 34. Contrary to the advice of his friend, Camillus left San Giacomo and founded a congregation of his own. As superior, he devoted much of his own time to the care of the sick.

Charity was his first concern, but the physical aspects of the hospital also received his diligent attention. The members of his community bound themselves to serve prisoners and persons infected by the plague as well as those dying in private homes. Some of his men were with troops fighting in Hungary and Croatia in 1595, forming the first recorded military field ambulance. In Naples, he and his men went onto the galleys that had plague and were not allowed to land. He discovered that there were people being buried alive, and ordered his brothers to continue the prayers for the dying 15 minutes after apparent death.

Camillus himself suffered the disease of his leg through his life. In his last illness, he left his own bed to see if other patients in the hospital needed help.
