OCTOBER 1, 2023
26TH SUNDAY IN ORDINARY TIME

Watchers in the Night: Thomas Blackshear

PRAYER TO OUR GUARDIAN ANGEL

O angel of God, my guardian: save, protect, and guide me, who has been entrusted to you through the divine compassion of Jesus! I ask you, blessed angel, to whose care I have been commended, to be ever present to assist me. Before God our Lord present my petitions to his most merciful ears so that he, because of his mercy and your prayers, may grant me pardon for my sin and a true knowledge and contrition for those present, and advice on how to avoid them in the future; and that he may grant me the grace to do good and persevere unto the end. Keep far from me, through the strength of Almighty God, every temptation of Satan; and may you obtain through your prayers before or Lord what I do not deserve because of my works, that there may not be in me any room for, or sharing in, any evil; and if you see me at times straying from the right path and following the errors of sin, take care to bring me back to my Savior along the ways of justice. And when you see me in any trial and tribulation, take care to obtain help for me from God through your sweet succor. I ask you to never abandon me, but always to shield, visit, assist, and defend me from every wile and warfare of the demons, watching over me by day and night, at every moment and hour. Be therefore willing to remain with me as my guardian and companion. I also ask you, my protector, that when I am about to depart this life, you do not let me be frightened by the demons, nor let me fall into despair; and do not leave me until you shall have led me to the beatific vision of God our Lord. Amen.

- ST. FRANCIS XAVIER

OUR LADY STAR OF THE SEA CATHOLIC SCHOOL

CATHOLIC LIBERAL EDUCATION IN ACTION

KINDERGARTEN—*all about apples!*

As the harvest season approaches the kindergarten students instructed by Mrs. Kilmer have studied apples; their anatomy, types, and life cycles while reading beautiful apple stories such as the tall tale of Johnny Applesseed and The Apple Cake.

In culmination of this study, students will celebrate with an apple tasting to include making applesauce from scratch.

SEVENTH GRADE—MICROSCOPIC STUDY

Drawing by OLSOS 7th Grader of a lily ovary

Drawing by Anton van Leeuwenhoek of a 1-year old ash tree

Mrs. Frisch and the Seventh Grade Nature Studies Class spent a few days observing various biotic material under microscopes at different magnifications. This led students to the discovery of cells, in the same manner of Anton von Leeuwenhoek in 1674, with the first microscope which he made himself. Students sketched the beauty of these cells and summarized their observations.

Lives of the Saints

ST. FAUSTINA KOWALSKA

Feast Day: October 5

Saint Faustina's name is forever linked to the annual feast of the Divine Mercy, the Divine Mercy chaplet, and the Divine Mercy prayer recited each day at 3 p.m. by many people.

Born in what is now west-central Poland, Helena Kowalska was the third of 10 children. She worked as a housekeeper in three cities before joining the Congregation of the Sisters of Our Lady of Mercy in 1925. She worked as a cook, gardener and porter in three of their houses.

In addition to carrying out her work faithfully, generously serving the needs of the sisters and the local people, Sister Faustina also had a deep interior life. This included receiving revelations from the Lord Jesus, messages that she recorded in her diary at the request of Christ and of her confessors.

At a time when some Catholics had an image of God as such a strict judge that they might be tempted to despair about the possibility of being forgiven, Jesus chose to emphasize his mercy and forgiveness for sins acknowledged and confessed. "I do not want to punish aching mankind," he once told Saint Faustina, "but I desire to heal it, pressing it to my merciful heart." The two rays emanating from Christ's heart, she said, represent the blood and water poured out after Jesus' death.

Because Sister Maria Faustina knew that the revelations she had already received did not constitute holiness itself, she wrote in her diary: "Neither graces, nor revelations, nor raptures, nor gifts granted to a soul make it perfect, but rather the intimate union of the soul with God. These gifts are merely ornaments of the soul, but constitute neither its essence nor its perfection. My sanctity and perfection consist in the close union of my will with the will of God."

Sister Maria Faustina died of tuberculosis in Krakow, Poland, on October 5, 1938. Pope John Paul II beatified her in 1993, and canonized her seven years later.
