5TH SUNDAY IN ORDINARY TIME

Raising of Jairus' Daughter: Vasily Polenov

THE HEALING PRESENCE OF CHRIST

Job asks, “Is not man’s life on earth a drudgery?” We, too, often wonder if we will “see happiness again.” Jesus responds, “*Let us go to the nearby villages.*” The presence of Jesus is the antidote for our “months of misery”. When “the night drags on” and we are filled with restlessness, Jesus Christ allows us to arise with hope. The gracious God “rebuilds Jerusalem” - and our lives. To the weak he became weak to win over the weak. As Christ preaches, “he calls each by name.”

OUR LADY STAR OF THE SEA CATHOLIC SCHOOL

SCHOOL NEWSLETTER—FEBRUARY 2023

TRIVIUM???

One of the buzzwords of Catholic liberal arts education is the Trivium. Latin for “the three ways,” it is shorthand for the three arts of language: **grammar, logic and rhetoric**. The Trivium is a philosophy of education that does two things. First, it affirms that no one learns anything apart from a language, and second, it recognizes that students acquire these linguistic skills differently according to their natural development. Before Christmas, the faculty at Star of the Sea collaborated during a professional development session to discuss the Trivium and define what it means to teach according to the Trivium.

Here’s what we came up with:

“According to a child’s natural development, we forge in our students the skills of thinking in order to lead them to mastery of language which frees them.”

When you combine this kind of pedagogy with committed Catholic teachers and a curriculum devoted to discovering and loving that which is true, good, and beautiful, you have a dynamic learning environment unified by our Catholic faith. ☚

FIRST GRADE—THE GIFTS OF THE MAGI

Last month, 1st grade students discussed the Epiphany, the arrival of the Magi to baby Jesus. They learned about the significance and origin of the three gifts: gold; frankincense, the dried sap from the Boswellia tree; and Myrrh, the dried sap of the Commiphora tree. Students had the opportunity to see and touch frankincense and myrrh resin. The lesson culminated with an art project where students created the image of the three Magi traveling through the desert in search of the newborn king, Jesus. ☚

Lives of the Saints

ST. JOSEPHINE BAKHITA

Feast Day: February 8

For many years, Josephine Bakhita was a slave but her spirit was always free and eventually that spirit prevailed.

Born in Olgossa in the Darfur region of southern Sudan, Josephine was kidnapped at the age of 7, sold into slavery and given the name Bakhita, which means *fortunate*. She was resold several times, finally in 1883 to Callisto Legnani, Italian consul in Khartoum, Sudan.

Two years later, he took Josephine to Italy and gave her to his friend Augusto Michieli. Bakhita became babysitter to Mimmina Michieli, whom she accompanied to Venice's Institute of the Catechumens, run by the Canossian Sisters. While Mimmina was being instructed, Josephine felt drawn to the Catholic Church. She was baptized and confirmed in 1890, taking the name Josephine.

When the Michielis returned from Africa and wanted to take Mimmina and Josephine back with them, the future saint refused to go. During the ensuing court case, the Canossian Sisters and the patriarch of Venice intervened on Josephine's behalf. The judge concluded that since slavery was illegal in Italy, she had actually been free since 1885.

Josephine entered the Institute of St. Magdalene of Canossa in 1893 and made her profession three years later. In 1902, she was transferred to the city of Schio (northeast of Verona), where she assisted her religious community through cooking, sewing, embroidery, and welcoming visitors at the door. She soon became well loved by the children attending the sisters' school and the local citizens. She once said, "Be good, love the Lord, pray for those who do not know Him. What a great grace it is to know God!"

The first steps toward her beatification began in 1959. She was beatified in 1992 and canonized eight years later.
