## PENTECOST SUNDAY

### COME, HOLY SPIRIT

When the Holy Spirit was poured forth at Pentecost, Christ's Paschal Mystery was brought to completion, and the Church was fully equipped to carry on his redemptive work in the world. At Pentecost, it is revealed that we remain always intimately united to our heavenly Father, who will shepherd his people home to the glory of heaven. "On that day, the Holy Trinity is fully revealed. Since that day, the Kingdom announced by Christ has been open to those who believe in him: in the humility of the flesh and in faith, they already share in the communion of the Holy Trinity. By his coming, which never ceases, the Holy Spirit causes the world to enter into the 'last days,' the time of the Church, the Kingdom already inherited though not yet consummated" (CCC 732).

## Lives of the Saints

ST. BERNADINE OF SIENA

Feast Day: May 20

Most of the saints suffer great personal opposition, even persecution. Bernardine, by contrast, seems more like a human dynamo who simply took on the needs of the world. He was the greatest preacher of his time, journeying across Italy, calming strife-torn cities, attacking the paganism he found rampant, attracting crowds of 30,000, following Saint Francis of Assisi's admonition to preach about "vice and virtue, punishment and glory."

Compared with Saint Paul by the pope, Bernardine had a keen intuition of the needs of the time, along with solid holiness and boundless energy and joy. He accomplished all this despite having a very weak and hoarse voice, miraculously improved later because of his devotion to Mary.

When he was 20, the plague was at its height in his hometown of Siena. Sometimes as many as 20 people died in one day at the hospital. Bernardine offered to run the hospital and, with the

help of other young men, nursed patients there for four months. He escaped the plague, but was so exhausted that a fever confined him for several months. He spent another year caring for a beloved aunt whose parents had died when he was a child, and at her death began to fast and pray to know God's will for him.

At 22, he entered the Franciscan Order and was ordained two years later. For almost a dozen years he lived in solitude and prayer, but his gifts ultimately caused him to be sent to preach. He always traveled on foot, sometimes speaking for hours in one place, then doing the same in another town.

Especially known for his devotion to the Holy Name of Jesus, Bernardine devised a symbol—IHS, the first three letters of the name of Jesus in Greek—in Gothic letters on a blazing sun. This was to displace the superstitious symbols of the day, as well as the insignia of factions: for example, Guelphs and Ghibellines. The devotion spread, and the symbol began to appear in churches, homes and public buildings. Opposition arose from those who thought it a dangerous innovation. Three attempts were made to have the pope take action against him, but Bernardine's holiness, orthodoxy, and intelligence were evidence of his faithfulness.

General of the Friars of the Strict Observance, a branch of the Franciscan Order, Bernardine strongly emphasized scholarship and further study of theology and canon law. When he started there were 300 friars in the community; when he died there were 4,000. He returned to preaching the last two years of his life, dying while traveling.
