## From Our Pastor

Weekend of June 28 & 29, 2025 (St. Peter & St. Paul)

### **Pillars of the Church**

St. Peter & St. Paul are known as the two great pillars of the Church or Christianity's cornerstones or Gospel giants or Jesus' exemplar emissaries for their outstanding service despite the marked differences in their callings and charisms. What brings them on par is: A) both were great apostles; B) both were led by God's Spirit; and C) absolutely nothing could weaken their total commitment to God and God's people.

They both inspire us to awaken and animate the diverse callings and charisms that make us truly 'Catholic' – reaching out in love and service to all God's peoples. The vocation that comes from the Spirit is the common thread by which we are woven together so that the world may see in us the working of the same Spirit. We are called to give glory to God by our good deeds, active involvement and committed service so as to become the light of the world.

The scriptural reference to their friendship/relationship with Jesus is awesome and serves as an evidence to the fact. St. Peter said to the crippled man: "I don't have silver or gold with me, but what I do have I give you. In the name of Jesus rise and walk" (Acts 3:6). St. Paul said: "I no longer live but Christ lives in me. The life I now live I live by believing in God's Son" (Gal 2:20).

*An update on the Capital Campaign:* As we enter into the first phase of taking up the church project, we invite you to the last of our intimate small gatherings, hosted in the parish hall on this Sunday after 10:30 am Mass. We would love to have you with us. Thank you.

Fr. Amal

***...God loves a cheerful giver. 2 Corinthians 9:7***

*We have all been given at least one gift we can use to help others. Feeding the poor, assisting in teaching Faith Formation, joining the parish choir, are all ways we can help.*

## Catholic Corner

**Is the state of grace necessary for the reception of the Sacraments?**

The state of grace is necessary for the reception of the majority of the Sacraments, namely: Confirmation, Holy Eucharist, Holy Orders, Matrimony and normally the Anointing of the sick.

**In next week's Catholic Corner:**

*What is Baptism?*

## Sacramental News

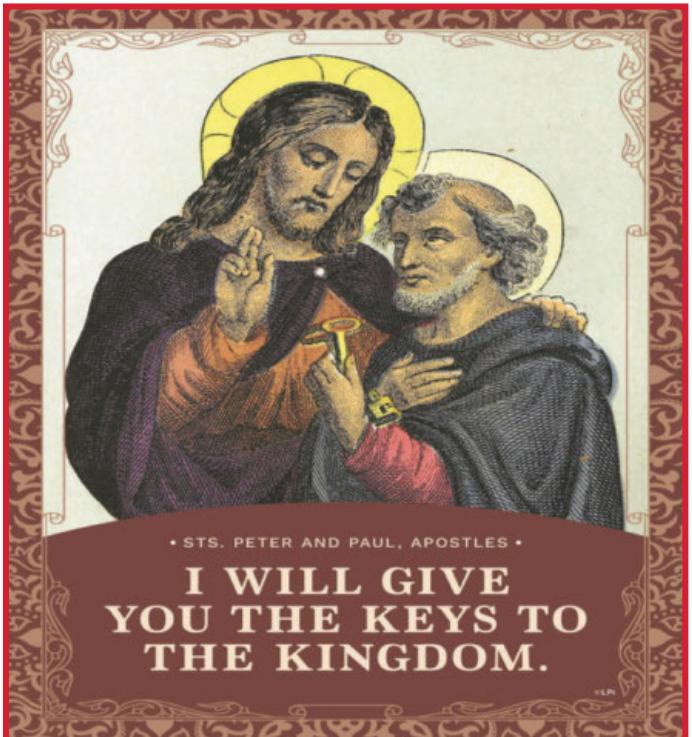

Congratulations to Golden Ray daughter of Abel and Babe Garcia, who celebrated her Baptism on Sunday, June 22nd.

## St. Francis Stephen Ministry

### *Why Lay Ministry?*

Stephen Ministry is based on the idea that all Christians are ministers. The responsibility for passing on God's love is for all Christians, not just for a chosen few. God has given us all gifts for ministry and called us to put these gifts to use. Stephen Ministry is a place where people with special gifts for caring ministry can use these gifts to bring Christ's love to people in need. To find out more about the Stephen Ministry or to receive a Stephen Minister's care, please call the parish office at 503-625-6185 and ask to speak to a Stephen Minister.

## Respect Life

"The United States was founded upon certain self-evident truths: life, liberty, and the pursuit of happiness. As Catholics, we protect life, exercise our religious liberties, and pursue happiness through the practice of our Faith and cultivation of virtue. We know that there is no dichotomy between our Faith and our lives, and that a good Catholic is a good American, because the practice of virtues – such as prudence, justice, temperance, and fortitude – leads to good citizenship." ~The Most Reverend Timothy P. Broglio Archbishop for the Military Services, USA National Catholic Prayer Breakfast June 6 2017 Washington DC

## Office of the Principal

June 18, 2025

Dear St. Francis Community,

Thank you for another wonderful and productive school year. I am immensely grateful to everyone for your countless hours of volunteering, chaperoning, organizing, donating, and for doing whatever was necessary to support our students, faculty, and staff. A special thank you goes out to our School Advisory Board (SAC), Parent Service Organization (PSO), Catholic Youth Organization (CYO), Endowment, Choir, Chess Club, Geography Club, and Art Literacy who, as always, went above and beyond the call of duty to provide everything needed to enhance our students' enriching school experience.

### Graduates

On an exciting note, the eighth graders successfully completed their education at St. Francis Catholic School with Mass and a graduation ceremony with family, friends, student body, faculty and the St. Francis Community on Thursday, June 12. I would like to take this time to recognize the following on their achievements: **Archbishop Sample Scholarship:** This award is presented to a student that in the judgment of the pastor, the principal, and the teachers has demonstrated outstanding leadership and service. Congratulations to: **Lucy Cowan**—attending Jesuit Catholic High School. **St Mary's Academy Scholarship:** This award is presented to a student who, in the judgment of the St. Mary's Board, has demonstrated that she is a well-rounded individual committed to continuing her Catholic education at St. Mary's Academy. Congratulations to: **Charlie Owens** **Christian Leadership Award:** These graduating students, whether participating in service projects, acting as a great role model to younger students and classmates have earned an "exceeding standard" mark in each trimester for work habits and personal development. Congratulations to: **Mia Barker and Avery Murray** **Gretchen Brown Christian Service Award:** This student encompasses all Catholic Social Teachings, is a compassionate and caring individual, friend, and fulfills all Schoolwide Learning Expectations: Congratulations to: **Gabrielle Cusick**

**Schoolwide Learning Expectations (SLEs) Awards:** All St. Francis students are taught to be members of many groups and are aware of what is expected of them at graduation. It is important that each student be Faith-Filled, a Life-Long Learner, responsible for Personal Actions, and is Self-Aware. Congratulations to the following: **Faith-Filled Award:** **Gabrielle Cusick**      **Life-Long Learner Award:** **Isaac Borowiec**      **Personally Responsible Award:** **Avery Murray**      **Self-Awareness Award:** **Paige Golda**

**Academic Excellence Award:** This graduating student maintained the highest-grade point average of 4.0 throughout the 23-24 school year; this is not an easy accomplishment. **Congratulations to Lucy Cowan.**

**A final word to our St. Francis Graduates:** Thank you for all your hard work throughout the school year. I am grateful for your work ethic, joy, perceptive insights, and the kindness you showed to your kinder buddies and me. **We wish you many more years of good health and success!** Please come back and visit.

### Geography Bee in Orlando, FL

Five students—Alex Blume, Emmett Czarnecki, Brady Headrick, Brody Karamanos, and Kieran O'Connor—competed in the National Geography Bee in Florida this past week, standing out among over 1,200 students! Brody advanced to the quarterfinals, and Alex, Emmett, Brady, and Brody qualified for the International Competition, which will be held in either Thailand or Paris. Congratulations to all of you for your hard work and outstanding achievement!

### Endowment Golf Tournament

The Endowment Committee is incredibly grateful for your support and participation in our annual Endowment Golf Tournament. It was our largest one yet with over 70 golfers. Your generosity and enthusiasm have made this event a tremendous success. The funds raised will significantly contribute to our endowment, ensuring the sustainability of financial assistance to students' educational needs and the continued impact on our community. Thank you for your commitment to our cause and for making a difference.

### Campaign Update

The Campaign Committee is excited to share several important campus updates. This summer, our top priority is the church, where essential repairs to the siding, windows, and bell tower are currently underway. In addition, both the church and school buildings will receive a fresh coat of paint by late August or early September, creating a renewed and unified look across our shared campus. We extend our heartfelt gratitude to our dedicated volunteers—Mike Cowan, Greg Stoermer, Bill O'Sullivan, Dave Cookson, Geoff Hill, and Cameron Cusick—who have generously given their time and talent to support these vital improvements. Their commitment to our mission is truly appreciated. Our school's Capital Campaign remains right on track. We continue to meet regularly with contractors, architects, the City of Sherwood, and other key stakeholders as we work to make the school addition a reality. We remain *Rooted in Faith, Growing in Excellence*, thank you for your continued support and prayers as we move forward together.

### St. Francis Community

As the school year ends, I am grateful for the community of St. Francis Catholic School and everything it represents. As we enjoy time with our families and friends this summer, let us proudly represent our school, sharing the incredible experiences we've had this school year. Until next school year, here's wishing you prayers, love, laughter, and rest.

Sincerely and God Bless,  
Ms. Gonzalez, Principal
