"There is nothing so great as the Eucharist. If God had something more precious, He would have given it to us." ~ St. Jean Vianney

There is no greater gift than the gift Christ gave the world – himself. A sacrifice that has freed us from the bonds of sin and death, and a sacrifice that is truly present during the Holy and Divine Liturgy. Let's make sure Sunday Mass doesn't just become another item on our weekly to-do list.

Remember the Holy Spirit is blowing boldly in and around us. We can do this with God's help! But we need to plan and lead toward the newness that God wants to bring forth. The Lord is counting on us to go and make disciples, especially now when the Good News is often lost in a suffering world.

MASS INTENTIONS Hundreds of local Catholics go to their parishes each week asking for Masses to be celebrated for special intentions. From urgent appeals for healing, to requests for blessings on a special birthday, to petitions for the peaceful repose of a deceased loved one, these intentions serve as a practical way of connecting the sacred liturgy with people's most heartfelt needs. It's a simple, familiar practice for many parishioners: Call the church office, drop it in the collection basket, and hear your intention announced at the pulpit.

Welcome back to Mass. As we join our state and the rest of the country in an effort to leave behind, but not forget, the tragedies and struggles of the covid19 pandemic, we are ready to move forward to a brighter tomorrow. Together through worship and prayer we can begin to heal and bring fellowship and togetherness back to our community.

The Solemnity of the Most Holy Body and Blood of Christ (06-06-2021)

Today we recognize and celebrate the fact that the presence of God with us is to be found in a very tangible and material way. Since the beginning of time, God has loved and delighted in the people he created to share full in his love. Despite their repeated rejection and betrayal of him, god's love for his people never ended. In Jesus, and the giving of his body and blood, God offers us the way to become one with him and know his love completely. Jesus establishes the new covenant between God and his people with his body and blood.

In the first reading, Moses uses the blood of young bulls to seal the covenant between God and the Israelites. In the letter to the Hebrews, St. Paul explains that Christ is the high priest, and the new mediator of the covenant. Jesus blesses the bread and wine at the Passover meal and instructs his disciples to receive them, as his body and blood of the new covenant. This new covenant is eternal and infinite.

In the Eucharist, we receive the real Body of Christ. Whenever eat the body of Christ, we too become the body of Christ. We are not only taken in to the divinity of Christ but also taken into the lowest depths of humanity. Through the Eucharist, we enter into communion with the entire Catholic family all around the world. We all become another Christ for the people.
