## Celebrating the Year of St. Joseph

Pope Francis announced a Year of St. Joseph, in honor of the 150th anniversary of the saint's proclamation as patron of the Universal Church. Pope Francis said he was establishing the year so that "every member of the faithful, following his example, may strengthen their life of faith daily in the complete fulfillment of God's will."

Pope Francis said the coronavirus pandemic has heightened his desire to reflect on St. Joseph, as so many people during the pandemic have made hidden sacrifices to protect others, just as St. Joseph quietly protected and cared for Mary and Jesus.

"Each of us can discover in Joseph – the man who goes unnoticed, a daily, discreet and hidden presence – an intercessor, a support and a guide in times of trouble," the pope wrote.

He also said he wanted to highlight St. Joseph's role as a father who served his family with charity and humility, adding, "Our world today needs fathers."
