# Getting to Know You...

Each month we will spotlight one of our Seniors, Board Members or Volunteers. After lunch we will meet by the fireplace and listen to a brief presentation followed by a question and answer session. This will be a great way to learn some things about one another's lives. If you would like to participate but aren't comfortable doing this in person, we can do an informal interview and print the story in the Newsletter. Let's support each other and participate in this activity, either through sharing your life's story or being an active listener for someone else.
