Hi, I am Leann Tock. I am super-excited to be your new Hill Country Senior Thrift Store manager and I hope you will come introduce yourself.

Originally from the Midwest, I moved to the Hill Country 30+ years ago, and have been shopping at the Thrift Store for my family since it was a tiny shop on Mercer. I have two grown children, Eris and Ti — both living close by in Austin, and both enthusiastic thrifters!

I have been a thrifter since almost forever, and I made my way through college working in vintage clothing and antiques. I have experience in retail, business and volunteer management, along with commercial garment design. I have a love for and a deep knowledge of textiles and collectibles.

As you might imagine, this role at the thrift store was tailor made for me, combining all my passions: vintage, thrift, recycling and service to the community. It is really a gift to be working here, and I look forward to making the Hill Country Senior Thrift Store work better for you in every way.

Clarence Decker Gregory

Passed away on 4-6-22. He was married to Beverly for 65 years who predeceased him. He is survived by his four children, but he found his family here at HCSC. A member for over 12 years, Clarence was always available for dominos and good company. Clarence worked as a truck driver for 21 years before turning his life over to God and becoming a pastor for 14 years. A man of faith, he would grace us with his blessings before our meals. Clarence' service is May 1st, at 1:30, Henley Baptist Church.
