# WELCOME!

Dear friends in Christ,

Merry Christmas! Our celebration continues today, as the birth of our Savior is not a once-and-done proposition but continues up until the celebration of the Baptism of the Lord on Jan. 9. So let the Christmas spirit reign in your hearts and in your homes a few days longer. Don't be so quick to put away the decorations (especially the crèche!) and try to hold on to the spirit of Christmas – the celebration of the Word made flesh that dwells among us – throughout this coming year.

As the Christmas season continues today, the Church celebrates the Feast of the Holy Family of Jesus, Mary and Joseph. This great feast day, which is always celebrated on the Sunday immediately following Christmas Day, is a beautiful reminder of the dignity and respect that being part of a family calls us to honor. We are members not only of our personal families, but also of the family of God. We honor Jesus, Mary and Joseph and we look to them to guide us in dealing with our families.

Many if not all of us have unique family structures. There are always areas of both great love and great tension within every family. Some family members we are extremely close to while others may be estranged from us, often for years. If there are difficulties or bitter feelings lingering in your family perhaps this start of the new year would be a good time to bury the past and build up your family on the model of Jesus, Mary and Joseph. May they serve as an inspiration to us all to always follow the will of God in our family lives.

Remember that next Saturday, Jan. 1 is the Solemnity of the Blessed Virgin Mary, the Mother of God, and a Holy Day. It's also World Day of Prayer for Peace. We'll celebrate Mass on Friday, Dec. 31 at 5 p.m., and on New Year's Day, Saturday, Jan. 1, at 9 a.m. Join us either in person or on the livestream at 9 a.m. as we honor the mother of our Lord and ask for God's blessing in this coming year. Note that later in the evening on Jan. 1 we will celebrate our regular 5 p.m. vigil Mass for the Epiphany of the Lord.

Looking ahead, we always like to begin the new year with an opportunity for us to grow in our faith. This year we're bringing back "The Search" to CtR. It's a seven-week small group and video evangelization series from the Augustine Institute hosted by Chris

Stefanick. It's an invitation to all seekers, wanderers, and searchers, which I suppose is all of us, who have "big picture" questions about faith and meaning, like: Why are we here? What is the purpose of life? Who is God and what does He have to do with me? This series is perfect for anyone looking to return to their faith in the new year, has doubts or questions, or wants to learn more about being faithful in our modern world. It'll run on Thursday evenings from 7-8:30 p.m. beginning on January 13. For more information and to register visit [www.ctrcc.com/thesearch](http://www.ctrcc.com/thesearch) or contact Camilla Mackenzie in our parish office. Note that this is the same program we ran in January 2021, so those who joined us then might want to seek out another Adult Faith Formation program. We offer a variety and have more planned in 2022.

In the final days of the calendar year I invite those who wish to make a financial donation (and gain an IRS deduction) to please do so before our offices close at 12 noon on Friday, Dec. 31. You are welcome to drop off a check in the office this week, or better yet, do so electronically online at [www.ctrcc.com/donate](http://www.ctrcc.com/donate). You can make a donation directly to the parish operating income, or to the Ignite Capital Campaign for our planned Marian Grotto and Prayer Garden, or to the Diocesan Service Fund (DSF), of which we get back 100 percent of our overage of our goal. Thank you for your generosity to CtR not only at the end of the year, but throughout 2021. It was another challenging year because of the pandemic, but thanks be to God and your support, we have been able to offer just about all of our programs and ministries to continue to spread the Good News. God bless all who have given so selflessly and generously to make that possible!

Lastly, thanks to our Knights of Columbus for their sponsorship of the 2022 parish calendar that is being distributed at Mass this weekend (and for the book, "The True Meaning of Christmas," that was distributed on Christmas Eve and Day). Thank you, brother Knights! May the Lord bless us all with good health of body, mind, and soul in the coming new year.

Peace, Fr. Sean

# STEWARDSHIP OF OUR TREASURES

## Ways to Support CtR During the Season of Giving

As we approach the joyous celebration of Christmas and a New Year, we are grateful for the gifts shared with CtR year-round. End-of-year giving provides a last chance to make tax-deductible contributions that further support our mission and long-term vision at CtR as we share our faith and become family to one another in Jesus. Gifts made directly to the parish help support our ongoing operations and provide the opportunity for education, evangelization, charity and service, as we are called to use our diverse gifts to grow together and encounter Jesus in word and sacrament. You can make a gift directly to the parish in support of our mission at [ctrcc.com/donate](http://ctrcc.com/donate) or by dropping off your gift at the Parish Office. Thank you for all you do for our parish community through your faithful stewardship and your ongoing support of our programs, our people and faith.

## Other important ways to help keep our parish community thriving:

**The Ignite Campaign at CtR:** Our parish community is asked to prayerfully consider participation in the Ignite Capital Campaign to provide for the future of pastoral ministry to the 1.7 million Catholics in the Archdiocese of Galveston-Houston. At CtR, we are making a good faith effort in support of Ignite to fund a parish beautification project. Learn more about the impact of the campaign and the Marian Grotto and Prayer Gardens Expansion project, and give at [ctrcc.com/ignite](http://ctrcc.com/ignite).

**Diocesan Services Fund:** The Diocesan Services Fund (DSF) supports 60+ programs across the Archdiocese to support Catholic education of children and adults; pastoral ministries for the sick, the poor and the incarcerated; the formation and education of church leadership; and to offer support to San José Clinic, St. Dominic Village and Catholic Charities. DSF funds help us to grow our own programs at CtR in support of our mission. Help us "Walk in the Light of Christ" and meet our \$305,000 goal for 2021 at [archgh.org/dsf](http://archgh.org/dsf).

**CtR Pipe Organ Project:** The CtR Pipe Organ Project will allow parishioners to directly engage in bringing a pipe organ, which is uniquely suited for leading large assemblies, in singing the acclamations, hymns, and Psalms at Mass in a way we never have before. A new pipe organ will allow parishioners to directly engage in bringing a pipe organ, which is uniquely suited for leading large assemblies, in singing the acclamations, hymns, and Psalms at Mass in a way we never have before. Learn more and give at [ctrcc.com/pipeorgan](http://ctrcc.com/pipeorgan).

For questions about giving opportunities at CtR, please contact Megan Dillingham, Direct of Advancement and Stewardship, at [megan.dillingham@ctrcc.com](mailto:megan.dillingham@ctrcc.com).

## Christ the Redeemer Catholic School in Houston Earns National Certificate for STEM Excellence - Campus Certification from National Institute for STEM Education

Christ the Redeemer Catholic School is the most recent school in the Archdiocese of Galveston-Houston and the third Catholic grade school in the United States to earn the National Certificate for STEM Excellence (NCSE) - Campus Certification from the National Institute for STEM Education (NISE). The NCSE recognizes individual school campuses for their commitment to and systematic support of teachers' understanding and use of high-impact, evidence-based STEM instructional strategies.

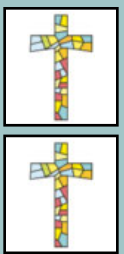

"Through this certification process, we learned that STEM is about so much more than robotics and coding," said CtRCS Principal Dan Courtney. "Our teachers strive to inspire critical thinkers who are eager to solve real-world problems in creative ways across disciplines. We learned to value the power of collaboration, communication, and the redesign process as vital components to STEM learning.

"As a Catholic school with an amazing fine arts department and a belief that our Catholicity runs through the fabric of all we do, adding the arts and religion to our STEM program makes us a true STREAM learning environment."
