WELCOME!

Dear friends in Christ,

Our second reading today on this Third Sunday in Ordinary Time comes from St. Paul's first letter to the Corinthians and speaks of the oneness of the body that is composed of many parts. So, too, says Paul, are we one in Christ. "For in one Spirit we were all baptized into one body, whether Jews or Greeks, slaves or free persons, and we were all given to drink of one Spirit."

As we look at the Church that Christ has founded we should likewise see a oneness in our diversity. Each of us has gifts to offer, and though those gifts differ, they are all necessary components of the one body of Christ, the Church. I invite you this week to prayerfully consider your gifts and discern how you might best use those gifts to serve the greater good of our community.

Next weekend we will have our annual Ministry Fair program in the narthex at all masses. Representatives of many ministries will be present, and I ask that you take a few moments after Mass and see what they have to offer. There is a place for you here, and each of you has a unique gift and talent, like St. Paul spoke of, that can be put to greater service to the wider body of the Church. Perhaps it is in one of many liturgical ministries, or in Religious Education, or in Adult Faith Formation. The possibilities are endless, but the only way we can truly "be Church" is to have you use your gifts. Don't hide them or neglect them. Be a good steward of your gift of time and talent and find a place in 2022 to go beyond yourself and become involved in at least once aspect of the life of CtR. I guarantee it will make a positive difference in your practice of the faith that we all share.

Also next week we kickoff our annual celebration of National Catholic Schools Week. Our own CtR Catholic School has a host of activities planned to mark the week for students, families, parishioners and community members. Through these events, we will focus on the value Catholic education provides to young people and its contributions to our Church, our community and our nation. This year's theme is "Discover and Celebrate Catholic Schools," and that's what we invite you to do.

One way to discover and celebrate Catholic Schools is by joining us for an Open House for the community on Thursday, Feb. 3 from 10 a.m. – 1 p.m. This is a great chance to tour the school and see what the kids are doing up close and personal. That's not only a good time for prospective parents to see what is happening, but it's also a fine time for any parishioner to come and see. Even if you don't have children or grandchildren that are school age you are invited to see how Catholic schools have an impact on the life of us all.

Another way to discover and celebrate our CtR Catholic School is through the annual Steps for Students 5K Run/Walk. It's set for Saturday, Feb. 12, and it provides much needed funds for scholarships and programs in Catholic education. It's a great family event and always a lot of fun. All are invited to join our Team Crusader, and in the process, all proceeds will come back to our school – 100 percent! It's a well-organized fun run through downtown Houston with a great party afterwards. I've done it for a number of years and find it to be a great way to spend the morning getting some exercise and helping a great cause. Registration is fast and easy and we always have a big team from CtR and we'd love to have you join us this year. Go to www.ctrschool/steps4students for information and to register. Even if you don't want to come downtown that morning in person, I encourage you to sign up as a team member and then select the "Snooze" button option. That way you can sleep in, but your donation still counts. That's a win-win!

If you don't want to run yourself, you can sponsor my team and all proceeds will come right back to benefit our own CtR School. You can make an on-line pledge and I'll do all the work while you get the satisfaction of knowing you supported Catholic education. To pledge to my team, scan the QR code here on this page with your smartphone camera app. It only takes a few minutes to make your pledge safely and securely online. Or if you like, you can give me a check or cash in person at Mass or in the office and I'll see that it is credited to Team Crusader.

**SUPPORT
FR. SEAN'S TEAM!**

Lastly, there will be a Winter Blood Drive next Sunday from 8 a.m. – 2 p.m. in the Community Center. (Note the location is in the Community Center, as opposed to the Parish Hall, which will be occupied that same morning by Coffee and Donuts sponsored by CtR Catholic School and our Genesis Early Childhood Program.) There is a critical shortage of blood in the Houston area right now, so if you are able to donate, please do so. Walk-ins are welcome, but you can also reserve a specific time spot by visiting www.ctrcc.com/events/blood-drive.

Peace, Fr. Sean

PRAYER FOR THE SICK

Father, your son accepted our sufferings to teach us the virtue of patience in human illness. Hear the prayers we offer for our sick sisters and brothers. May all who suffer pain, illness or disease realize that they have been chosen to be saints and know that they are joined to Christ in His suffering for the salvation of the world. Amen.

PERPETUAL EUCHARISTIC ADORATION

Imagine if one day the parish could arrange for Jesus to be present in person at the church. If given the opportunity to reserve a one-on-one hour just to be in His presence to talk with Him and show your love for Him, would you sign up?

At the last supper when Jesus broke the bread and gave it to His apostles, He said, "Take it and eat of it; THIS IS MY BODY." "Do this

in memory of me." At that moment Jesus instituted the Holy Eucharist, the same Eucharist we are offered at Mass. Therefore, any time we are in the presence of the consecrated bread, the Eucharist, we are in the presence of Jesus in the flesh with the same love and authority He demonstrated when He walked with the Apostles.

Jesus is available 24 hours a day in the Adoration Chapel. Will you schedule an hour and join us? Sign up at ctrcc.com/adoration.
