15th Sunday in Ordinary Time

Voice of the Evangelist

Before and after all Masses next weekend we will have a large St. Vincent de Paul truck directly behind the church to collect used, but good condition, clothing. There is no need to sort your donations. Do place them in a sturdy bag and make certain they are preserved well enough to be used by another person.

Clergy Corner

“So they took the body of Jesus and bound it in linen cloths with the spices, as is the burial custom of the Jews.” –John 19:40

Burying the dead is one of the seven corporal works of mercy. As we hear in St. Matthew’s gospel, Jesus says that what we do for the least of our brothers and sisters, we actually do for Him. Those who are ill, imprisoned, hungry, thirsty, naked, or poor are where we should look to find Jesus Himself. By giving to those in need of our time, talent, and/or treasure, we live the example and commandment of Jesus to be a good disciple.

That being said, I’d like to make you aware of a new venture our youth group will be initiating. Later this week, I will be joining members of our high school youth group for a local mission trip. We will spend several days praying and working at Sweet Olive Cemetery in downtown Baton Rouge. This cemetery dates back as early as 1850 when it was established and has since fallen into disrepair. The cemetery is very overcrowded, making regular upkeep extremely difficult. Our youth group will be present to continue the efforts of cutting the overgrown grass, cleaning tombs, giving due honor and respect to the deceased, and praying for the souls of those buried there.

I invite and encourage you to pray with us and for us in this endeavor as we practice this important work of mercy. All of us can learn from the actions and example of others—how beautiful it will be for our teenagers to know that they have parishioners back home who are praying for them as we do the same!
