## Joseph Tong's Autobiography

My name is Weifeng "Joseph" Tong. I was born on February 27<sup>th</sup>, 1990 and grew up in a devoted Catholic family in the Nanqi Parish of the Weinan diocese in China. I am the only child in my family. My grandparents have ten children, six daughters and four sons. On my father's side, he has cousins and sisters who are religious sisters. On my mother's side, her cousins are priests. I am very blessed in my warm family and we have a lot of religious sisters and priests. They are my models and I told myself that I would be a priest just like them in the future.

I grew up in a village Church, and if our Church had Mass, my parents would always bring me to attend the Church's rite. On days that my home parish did not have Mass, my parents, like other Catholic families, would have us pray at home. During my childhood, I spent most of my days in the church where I was surrounded by the love and influence of the many priests, nuns and seminarians of the church. I spent as much time with them as I could because they helped me to understand the lessons of the Bible. I was instilled with a very strong sense of the Catholic faith in my childhood. For example, I remember when I was 6 years old, my pastor Fr. Bai, asked me to help him during Mass, so I became an Altar Server. It was very beautiful when I helped the priest to celebrate Mass. There were many youth activities in my parish, and I spent a lot of good times with young people, priests and nuns who taught us about the Church which helped me better understand God. I learned the catechism and beautiful Church songs and I think that it was during that period of time that I started to hear my calling from God little by little. I was 16 years old when I went to see my Bishop Changping (Joseph) Tong after I graduated from middle school. I went to him to tell him I wanted to become a priest. However, he advised me to finish high school first and then enter the seminary. I accepted his advice and went to finish high school, followed by a Vocational College which led me to a job during the third year of my College. So, in the last quarter of school, I went to work. I worked from November 2011 to February 2013 in the industry of Shannxi Xi'an. I quit my job on Feb 20, 2013 and joined my diocese in preparing for the seminary. On March 8, 2013, I went to stay with my Bishop Joseph Tong and prepared to enter the Seminary at the Bishop's Residence. I was living together with Bishop Joseph Tong for about six months at the diocesan center and then I entered Jilin Seminary in the North-East of China in September 2013. At the Jilin Seminary, I practiced building up my spiritual life and fitting in with all brothers. I was happy to study and stay with seminarian brothers together in the very simple Seminary and I always tried my best to study hard. I have one year of experience in Seminary, and this one-year Seminary life helped me to understand my vocation more clearly and vividly. I had my personal time to practice having a relationship with our God, and my heart has been touched. When I am praying and opening my heart to God, I get so overwhelmed my eyes filled up with tears. I know that Jesus Christ our Lord calls me for a great mission, and I must prepare well spiritually and intellectually. I give my best with Jesus Christ to do more to work with God in serving our brothers and sisters anywhere he places me.

I am sponsored by the Archdiocese of Los Angeles, studying for the diocese of Weinan, China. Time flies, I have been living in the USA since 2015, and I have been living in the parish of St. Frances of Rome for six years. The first two years, I had been working on my English and living a completely different life and learning many kinds of things. I think the biggest challenge was the language because I didn't speak English. I know God always takes care of me anywhere, and I never give up on myself in moments of difficulty. I lived in the Queen of Angels Center for Priestly Formation (QofA) from 2017 to 2019 and graduated from Marymount California University. I have been studying the theology at St. John Seminary (SJS) for two years. I am very grateful to have had experiences in QofA and SJS community, and these two communities helped me with my priesthood formation. As a seminarian, daily and personal prayer are necessary to build a closer relationship with God. The formators and seminarian brothers help me with studies, and the community gives me a warm environment for formation and deeper friendships with seminarian brothers. I know we gather together for the same mission, which is to become a tool of God, as a missionary to spread the words of the Lord and to evangelize the good news to all creatures.

I have already completed my second year of theological study, so I will start my internship this year. The seminary program for Priesthood Formation requires all seminarians to have a one year internship at a parish after their second year of theological study. The seminarian will be supervised and observed by the pastor and a group member at the parish. Why is this? Pastoral Internship is very important to seminarians because it gives a good opportunity to seminarians. They will have full-time experience in the rectory with priest. They will know about parish life which may help them continue discernment of the call to the ministerial priesthood. One year of the internship can help seminarians' contentious personal growth

and the development of their Human, Spiritual, Intellectual, and Pastoral Formation which will help them to make a clear goal towards the priestly ordination.

I want to thank the Beatitudes of Our Lord Parish and all the people who have prayed for me and supported me. Thanks be to God, and with the grace of God, I have more confidence to prepare myself to become God's servant to serve our brothers and sisters throughout my life. I will keep you all in my prayers, and please pray for my classmates too.

## RCIA Rite of Christian Initiation of Adults the Way to Become Catholic

- ◆ Are you interested, or do you know someone who is interested in the Catholic Church?  
It is our greatest joy, as well as our mission as a Catholic community, to continually welcome new members.
- ◆ The RCIA is a process of formation, study and prayer for those interested in learning about and experiencing the Catholic faith tradition.
- ◆ The process is designed for individuals who are not baptized, those baptized in other Christian traditions, and baptized Catholics who never received the sacrament of Eucharist and/or Confirmation.
- ◆ It is a faith journey that encourages individuals to broaden and deepen their prayer life, to know God through the scriptures, to come to know themselves more fully and to actively participate in parish and community activities.
- ◆ You are welcome at any time, many individuals begin the process late summer/early fall and are able to celebrate full sacramental initiation at the Easter Vigil (Holy Saturday Night) the following spring.
- ◆ Parish members are invited to become directly involved by sponsoring a candidate. We also encourage and invite all who may be interested, to come and see what living life as a committed Catholic Christian can mean to you.

## **August 28-29 DID YOU KNOW?**

Teach children how to answer the door safely You would never knowingly let someone dangerous or unsafe into your home. But it is impossible to fully vet every stranger — maintenance worker, new neighbor, salesperson, etc. — who shows up at your door. Teach children a few tips about answering (or not answering) the doorbell. Consider these rules, or something similar, for your family: Always look to see who is at the door first. If the person is a stranger, get an adult to answer the door. Do not open the door to someone you do not know. For more information, request a copy of the VIRTUS® article “Beware of inviting other people – and vulnerability – into your house,” at [lacatholics.org/did-you-know](http://lacatholics.org/did-you-know).
