Jesus Christ is the ever-vigilant gardener. He desires us to bloom, that we will do what we were created to do, that we will bear the fruit that God intended. Will we let him cultivate our ground and prune our imperfections? Will we let him save us?

(PRACTICING) CATHOLIC: THE DIVINE CONFIDANTE

By Colleen Jurkiewicz Dorman

The Patient Gardener

Mini Reflection: It's always helpful to get the opinion of someone we trust when we're facing a situation that confuses or alarms us. But we all have a divine confidante that can help us sort through anything we're dealing with. Are we taking advantage of that?

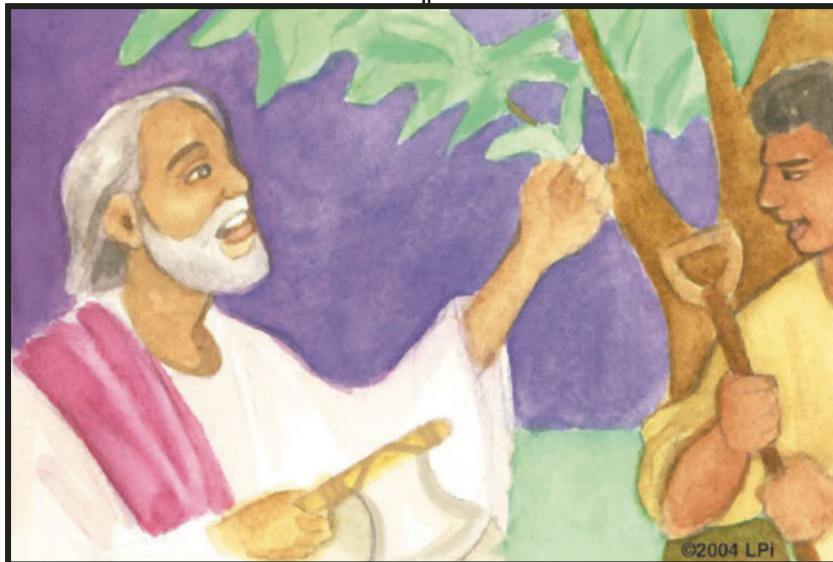

I have garden beds on the side of my house that I don't deserve.

When we bought the property, this was one of the features that was highlighted in the listing. "Professional landscaping! Tri-level garden beds that bask in the southern exposure!"

But I'm so terrible at weeding these garden beds — they become overgrown quickly, and I shudder to imagine what the previous owners would think of me if they drove by. I'm afraid they would write me off as lazy or disinterested, when really I'm just exhausted and busy. Every time I try to garden, one of my little assistant gardeners runs near the road and I must abandon the project to save them.

So, my husband, bless his heart, is the savior of these garden beds. He goes out there in the cool of the evening to pluck up the weeds that threaten to overtake this beautiful little garden. Patiently and tenderly, he restores it to a presentable state. Without him, they would be lost.

Perhaps I love these garden beds so much because I identify with them. If I were a garden, I would also be a mess, and people who have no time for messes would write me off as hopeless. We all need a savior to stick up for us, to come and quietly prune the unsightly growths that have taken root in our souls and turn the soil that has sat undisturbed for too long. What I love most about our Savior is that he didn't — doesn't — give up on us. "Give me more time," he says to the Master. "I can still fix this one."

**(PRACTICANDO) CATÓLICA: RECONOCE A DIOS EN TUS MOMENTOS ORDINARIOS**

Por Colleen Jurkiewicz Dorman

El Jardinero Paciente

Mini Reflexión: Lo que más amo de nuestro Salvador es que no se dio por vencido con nosotros. "Dame más tiempo," le dice al Maestro. "Todavía puedo arreglar a esta persona."

Tengo jardineras en el costado de mi casa que no merezco.

Cuando compramos la propiedad, esta fue una de las características que se destacaron en el listado. "¡Paisajismo profesional! ¡Jardineras de tres niveles que disfrutaban de la exposición al sur!"

Pero soy terrible desmalezando estos lechos de jardín: se cubren rápidamente y me estremezco al imaginar lo que los propietarios anteriores pensarían de mí si pasaran por aquí. Tengo miedo de que me tachen de perezosa o desinteresada, cuando en realidad solo estoy agotada y ocupada. Cada vez que intento hacer jardinería, uno de mis pequeños ayudantes de jardinería corre cerca de la carretera y debo abandonar el proyecto para salvarlo.

Así que, mi esposo, bendito sea su corazón, es el salvador de estas jardineras. Sale al fresco de la tarde para arrancar las malas hierbas que amenazan con apoderarse de este hermoso jardincito. Con paciencia y ternura, lo restaura a un estado presentable. Sin él, estarían perdidas.

Quizás me gustan tanto estas jardineras porque me identifico con ellas. Si yo fuera un jardín, también sería un desastre, y la gente que no tiene tiempo para desordenes me descartaría como una irremediable. Todos necesitamos un salvador que nos defienda, que venga y pade silenciosamente los crecimientos desagradables que han echado raíces en nuestras almas y

remueva la tierra que ha permanecido inalterada durante demasiado tiempo.

Lo que más me gusta de nuestro Salvador es que no se dio, ni se da, por vencido con nosotros. "Dame más tiempo," le dice al Maestro. "Todavía puedo arreglar a este."
