HAND CARVED in BETHLEHEM

Please stop by the tables of religious ware (Nativity Set, Rosaries, Statues, Crucifixes, Charms, etc) after all Masses on the weekend of August 6th and 7th.

Ayman Khair is representing about 180 Christian families from Bethlehem. These families have

been dependent upon sales of their hand carved religious articles to tourists of the Holy Land. Due to the conflict in the Middle East and the Pandemic, tourism has been stopped completely from March, 2020 until February, 2022.

It is very important to support them at this critical time since they have no income and there is no government to take care of them and help them. In order to survive, they have turned to Christian communities in the United States to purchase their articles. These hand carved religious articles are beyond description. Carved from wood of the sacred Olive tree, this workmanship has been traditional for these families for hundreds of years. It is hoped that through the efforts of Mr. Khair, these families who have little income and are able to stay living and survive in the Holy Land. Sadly enough, the Christian population dropped from 22% to less than 2% in the last 20 years. Thank you in advance for your support.

- As a dentist, you will incur no expenses. All supplies and equipment will be provided for you. We only ask that you donate your time and expertise.
- All funding for the community clinic will come from donations and grants. There will be no government funding.
- All patients will be pre-screened and registered by our area SVdP Conferences. No services provided to walk-in patients.

WHEN

- Our target goal for opening the community clinic is for the Fall of 2023 and operating hours will be every Friday from 8:00 AM until 12:00 noon.

WHERE

- The site of the proposed community clinic is a spacious 1800-square-foot building formerly occupied by a local dentist and is located at 1000 Willow Creek Road.
