The Pillars of Lent:

- **Prayer:** Prayer is conversation with God. It is essential for fasting and almsgiving because prayer gives us the strength to fast. Pope Francis said, “Lent is a privileged time for prayer.” In prayer, we draw closer in relationship with God. Relationship with God makes us grateful for the blessings we have received. Prayer is the cornerstone of our Lenten journey and is vital to all of our actions in life.
- **Fasting:** Pope Francis says "Fasting makes sense if it really chips away at our security and, as a consequence, benefits someone else, if it helps us cultivate the style of the Good Samaritan, who bent down to his brother in need and took care of him." During Lent do you think God needs the chocolate, candy, and other trivial things we give up? No He needs us to look deep within ourselves and reflect. He wants our hearts. So when you fast, do not proclaim it, do not look hard done by, smile and go about your day happy. We are told this in the Bible. In fact he wants us to stop our obsession with the ME and start thinking about what truly matters in life.
- **Almsgiving:** (giving) is a response to God, one that we can come to through prayer and fasting. It is a way to live out our gratitude for all that God has given us, reflecting the realization that we are the Body of Christ, responsible for each other. Justice, mercy, and charity are integral elements of our baptism that call us to be disciples of Jesus.

Adult Confirmation

Are you an adult interested in receiving the sacrament of Confirmation?
Participants must be baptized Catholic, received first holy Communion, and, if married,
marriage must be sacramental in the Catholic Church.
Contact Charlotte for information.

RCIA First Scrutiny

The RCIA scrutinies are a series of three rituals traditionally celebrated on the 3rd, 4th, and 5th Sundays of Lent. These rituals are meant to uncover then heal all that is weak, defective, or sinful in the hearts of the elect. They also bring out and strengthen all that is upright, strong, and good. These special prayers are offered for those preparing to enter the Church through Baptism as a means of protecting them from temptation and uniting them to Christ who is the way, the truth, and the life.

However, the readings and prayers can also be a teaching tool for those already baptized encouraging us to examine our own life of faith - especially from the context of Lent– and then from these penitential reflections move into the necessary conversions so that all may truly live out the call to “turn away from sin and be faithful to the gospel.”

The First Scrutiny will be celebrated this Sunday during the 9:45am Mass. If you are attending this Mass or a different Sunday liturgy please continue to pray for our elect that are getting close to their Easter sacraments.
