PARISH REGISTRATION

Question:

Why is it so important that we register in a parish?  
Isn't it good enough that we go to Mass?

Answer:

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.

# DID YOU KNOW?

## Who do children talk to about abuse?

Studies show that when children know that adults are willing to believe them, and advocate for them, children are more willing to come to adults with their problems. This is why other safe adults, like teachers and youth ministry volunteers, are essential to child protection. If a child discloses abuse, it is critical for a safe adult to provide a listening ear and help when needed, including reporting to the right people and authorities. **For more information, read the VIRTUS® article "Disclosures Part 1: Why are Disclosures Important?" at [lacatholics.org/did-you-know/](http://lacatholics.org/did-you-know/).**

**REGISTRO PARROQUIAL**

**Pregunta:**  
¿Por qué es tan importante que nos inscribamos en una parroquia?  
¿No es suficiente que vayamos a Misa?

**Respuesta:**  
La inscripción es la forma oficial en que nos unimos a una comunidad parroquial. Muchas personas piensan que, porque asisten a una parroquia en particular, automáticamente pertenecen. A veces, los adultos jóvenes que se han mudado durante años piensan que todavía están inscritos bajo la tutela de sus padres. Pero la membresía requiere inscribirse, registrarse formalmente en una parroquia. La inscripción es un compromiso con una comunidad, una forma de ser incluido en las actividades religiosas, sociales y ministeriales de tu parroquia. Tu registro afecta a la parroquia de muchas maneras. Los números del censo pueden determinar cuántos sacerdotes están asignados a una iglesia, qué beneficios y obligaciones tiene la comunidad para con la diócesis, y cómo se planifican y programan las misas, confesiones y devociones.

El registro muestra que perteneces. También es necesario para ciertos beneficios, como programar los sacramentos, obtener certificados de patrocinador y obtener estados de cuenta de donaciones para los impuestos. Lo más importante es que permite que la parroquia cuente contigo, que te llame para que ayudes en su misión. Registrarte en tu parroquia es una declaración de fe y confianza en la vida y el trabajo de tu parroquia.

**¿Sabía Usted?**  
MANTENIENDO A LOS NIÑOS SEGUROS

**¿Con quién hablan los niños sobre el abuso?**

Los estudios demuestran que cuando los niños saben que los adultos están dispuestos a creerlos y defenderlos, se sienten más dispuestos a compartir con ellos sus problemas. Por lo tanto, otros adultos de confianza, como los profesores y los voluntarios de la pastoral juvenil, son esenciales para la protección de los niños. Si un niño revela un abuso, es fundamental que un adulto de confianza le escucha y le ayuda cuando sea necesario, incluyendo la denuncia ante las personas y autoridades apropiadas. **Para saber más lee el artículo de VIRTUS® "¿Por qué es importante la denuncia del abuso" (Disclosures Part 1: Why are Disclosures Important?) en [iacatholics.org/did-you-know/](http://iacatholics.org/did-you-know/).**
