“how good and pleasant it is when brothers and sisters live together in unity ...”

Question:

If someone is interested in becoming a priest, how does he go about it?

Answer:

Discerning a vocation can happen in any number of ways. It might come as a surprise to the person called or to family or friends. Sometimes it is a gradual process, and other times it is as quick and bright as lightning. Regardless of how it starts, a vocation to the priesthood or religious life requires a process of discerning, testing, and preparing. The best place to begin would be with lots of prayer, receiving the sacraments, and attending daily Mass whenever possible. Then talk to your pastor or a priest you know and trust. Your diocese may have a vocation director who can provide you with guidance and information. The Serra Club is also a great resource for information and contacts to help you discern if indeed God is calling you.

Remember that many young Catholic men have considered the priesthood. Some are ordained and others realize this is not their calling. However, we are all called to be of service to others as we practice our faith. These are extraordinary times in which we live, and they require an extraordinary witness to faith and to God's presence in the world. Our work, our ministry as Catholics, is to be the body of Christ with and for others. The Church needs priests. If God calls you to ordained service in the church, He will provide the grace, direction, and support you need. Just listen and respond with all your heart, mind, and soul.

RESPECT LIFE

Nine abortion businesses have closed in California. The latest is in Paso Robles due to “community pressure.” Planned Parenthood had also announced that it had closed 3 locations in New Mexico, their only PP in Wyoming, 4 locations in Iowa, 1 each in Colorado, and southern Nevada. Now is the time, more than ever, to come together to end abortion in our state of CA where 1/5 of all US abortions occur.

Pro-abortion Democrat Senator Connie Leyva from San Bernardino authored Senate Bill 320, which if passed will force UC and CSU Student Health Centers to distribute the Chemical Abortion Pill, intended to kill human life up to ten weeks of pregnancy.

The Trump administration has re-instated, and expanded, something the abortion movement disparages as “the global gag rule.” Such a rule would force Planned Parenthood and other reproductive health providers to either stop discussing abortions with their patients or stop receiving Title X money. And they're complaining-loudly! They are labelling this legislation as an “attack” on “medical ethics”- as though the murder of a vulnerable, unborn child could be considered ethical.

Riverside County Superior Court Judge Daniel Ottolia invalidated CA's assisted suicide law. The judge agreed with Attorneys from Life Legal Defense that the CA state legislature violated the state constitution by passing the assisted suicide law during a special session that was limited to healthcare issues. Almost immediately, CA Attorney Gen Xavier Becerra appealed the decision-but the appeals court ruled to let the lower court decision stand.

The Supreme Court will hear Dobbs v. Jackson Women's Health Organization on December 1st. The case is a direct challenge to Roe v. Wade and Casey v. Planned Parenthood.

PRAYER IS OUR MOST POWERFUL WEAPON IN THE WAR TO PRESERVE THE SANCTITY OF LIFE.
