## GOSPEL MEDITATION

### ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE Our Lord Jesus Christ, King of the Universe

In May 2023, for the first time in almost three quarters of a century, a monarch was crowned in England. A few days later a friend of mine scoffed, “What a waste of time and energy! What is the point of a king?”

I’m a proud American who wants neither theocracy nor monarchical restoration. I like our democratic republic. But the coronation of King Charles reminded me of something needed in every person and community: confidence in the future. The king’s most basic role is to symbolize the unity of the nation. In England, the parliament members handle many of the practical duties of governance. But the king or queen can do what they cannot: embody in a single person the reality and future of a whole nation. To say, “this is our king” is to say, “we exist as a community, and we have a future.” Kingship isn’t primarily about the power of one person or family. It’s about the enduring identity and unity of the whole.

To say Christ is our King is to say we exist as a people. We are one in him. We are, and we will be as long as he is. And since he will be our risen king forever, together we have a future filled with hope. Even the best countries will finally fall. But Christ and his Church will endure forever. What good news! It’s not a waste of time to crown a king. We do it all the time. Let’s be sure to crown the right one — the one whose kingdom never ends.— Father John Muir

## EVERYDAY STEWARDSHIP

One day when I was walking the city streets where I was giving a series of talks, I saw what appeared to be an older woman hunched over with a sign asking for help. At first I passed her, on my way to visit the local drugstore.

But then I came back around when I realized that I had not been very mindful upon first seeing her. I didn’t have much cash to give her, but as I always tell everyone else in my talks, oftentimes what people need more than cash is someone to at least acknowledge them. I reached into my pocket to give her what little I had and I simply said, “Hello. I hope you are okay and I hope you can use this.”

When her face turned toward me I saw she was probably only about sixteen years of age and she was very beautiful. She smiled immediately and said how much this meant to her. She gathered up her few belongings and I watched her walk to a café for a meal. I turned to walk back to my lodging and I thought to myself, “She could have been my daughter.” That’s when the still, small voice spoke to me saying, “Don’t you understand? That was your daughter!”

Who is your daughter or son, your mother or father? Who is your neighbor? Better yet, in whom do you see Jesus? A young homeless girl on the street can take on so many forms: stranger, neighbor, daughter, and Jesus. Unless we are mindful of those in our midst, we miss the chance to see any of them. We must never be fooled by appearance. That day I almost missed seeing my Lord.

# FAITH FORMATION

## OUR LADY OF GUADALUPE

Sister Teresita has blessed our Parish with celebrating the beautiful tradition of “Holy Mary of Guadalupe, mother of life and peace,” here at St. Anastasia for over 6 years. Join us December 12th at 5PM for Mass, followed by a celebration. More details to come.

## CHRIST THE KING

“Hail the King of the Jews.” The kingship of Christ has always been different than the world expected. Many of Jesus’ disciples hoped for an earthly Messiah who would overthrow the Romans. But, as Jesus says in today’s Gospel, his kingdom is “not of this world.” And yet it is a very real kingdom. Jesus is a very real Lord. And we are called to invite Jesus to be king of our lives. In the early 20th century, disillusionment with authority of all kinds was growing. Revolutions, atheistic thinkers, and World War I contributed to a rejection of faith. In 1925, Pope Pius XI called the Church and the world back to a sense of hope in Christ. He instituted the Solemnity of Christ the King on the last Sunday before Advent. How is Jesus king of your life today?

## DID YOU KNOW

NOV 25TH-26TH

### How do groomers work?

Groomers start by picking out a potential victim, often a child who is emotionally vulnerable or isolated, or with low self-esteem. Then, groomers will start to slowly build a relationship — bonding over an alleged shared interest and expanding relationships out to build trust with the victim’s family and friends. Groomers work hard to make themselves appear trustworthy and safe, to gain better access to their victims. From there, they can isolate their victims and perpetrate abuse. For more information, read the VIRTUS® article “The Many Stages of Grooming” at <https://lacatholics.org/did-you-know/>

## KIDS CORNER

**“Dear Jesus, light our way to heaven”**

Have you ever tried to find something in a dark room? Not easy, is it? Maybe you bumped your knee or tripped and fell. Ow! Jesus was born into a world that was like a gigantic dark room with no windows and no other way out. People had turned away from God’s laws and were lost in the darkness of sin. Jesus is the light of the world. We who follow him are his children. With Jesus, we will always find our way to light and life.

### "The Friendly Beasts"

Curator: Ellen Mintz

Every year we feature a specific aspect of the Christmas story. And each year we learn something new about the Nativity and how it has been celebrated throughout history. This year we have focused on the animals—those in the stable, those who played a part in Mary and Joseph's remarkable event, those who have made an appearance in scenes throughout the world. The tradition of including animals in the scene reminds us of the universal appeal of the story and that all creatures in creation are part of God's gift of life. Please join us to celebrate the Christmas miracle again this year.

**Admission is free - our Christmas gift to you!** We look forward to your attendance and support ~ donations are always appreciated. School groups, prayer groups, families & individuals are all welcome. Reservations required to schedule docent led tours (student tours \$3/person; adult tours \$5/person). During the holiday season bring your office staff party, family or faith community/prayer group for a holiday meal catered by our hospitality team, surrounded by the lights of the Christmas season.
