A LETTER FROM THE DESK OF FR. LESZEK

Warm Greetings in Christ!

Yes, isn't it wonderful to use the word "warm"?

The Summer Months are here and many of our families are looking forward to their vacations as they pack up and head to various areas of the country. While there are many who tend to just enjoy being "homebodies", many do enjoy getting away if possible.

I trust you are doing well and are experiencing the blessings of the Lord in your own life, as well as your loved ones.

I don't know about you, but at times it is simply important for me to take time to meditate on His blessings in my life, as well as the life of our church. There's an old hymn that tells us to "Count our blessings, name them one by one", and I certainly believe that's a wonderful thing for us to do.

In the past, you have been generous in your giving to the work of the church here in our community, and for that, we are grateful and appreciative. I am writing to take a moment and let you know how much your donations have been appreciated. Because of the tithing and donations from members such as yourself, we are able to continue serving the community, sharing the charity of Christ, spreading the gospel, and still, we want to continue the renovation of our church.

Gifts like yours allow us to maintain the church as a proper place of worship. I say all this so you can be sure that what you give is essential to the health and growth of our church.

Your family at St. Anastasia thanks you for your generosity. I pray that you continue sharing, not only with your church but with all those around you in need of blessings.

While we here at St. Anastasia Church meet on a weekly basis for service, we would like to encourage you to remember us both in your prayers, and of course, we ask that you remain faithful and consistent in your stewardship and giving.

The Summer Months can be a bit challenging for churches at times as the bills continue to arrive and must be paid. We are always thrilled like you, I'm sure to be able to pay the bills on time. This helps us keep a good witness in our local community!

Please know that we do not take for granted either your prayers OR your giving!

We trust you continue to enjoy an amazing Summer and we look forward to seeing you in church as much as possible!

Blessings in Christ,

Fr. Leszek

FAITH FORMATION

DID YOU KNOW?

JUNE 29TH-30TH

June 29-30 || Trust your instincts when it comes to human trafficking

Human trafficking is happening in more places than you would think, and often it passes unnoticed because traffickers are highly skilled. If you see a situation that does not feel right, or you observe something inappropriate or concerning, you could be saving someone's life by reporting it. Often, trafficking can be noted by small indicators: someone who is deferring to another person often, or who is often controlled in who they can talk to or what they can say. Victims will also often appear to be timid or fearful, especially of a particular person, and to be isolated from other friends, family, and community members. For more information, read the VIRTUS® article "Know the Facts: Abductions and Human Trafficking" at <https://www.athlethehelpine.org/>
