OUR PATRON, SAINT BARNABAS

Barnabas sacrificed himself to be instrumental in God's cultivation of His Church. Paul makes specific mention of the fact that Barnabas, who willingly impoverished himself in the interests of the Church, labored with his own hands to support himself on his missionary journeys. In Acts 4:36, Luke translates Barnabas to mean "son of encouragement" or "son of consolation." The original Greek word rendered "encouragement," *paraklesis*, means encouragement, consolation, comfort, exhortation and entreaty. It may be that the Apostles who gave Joseph the name Barnabas, saw all of these qualities in his character.

Gospel Meditation

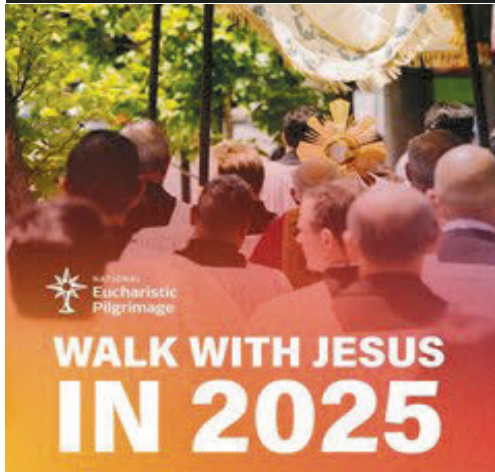

Encourage Deeper Understanding of Scripture

One of the most fascinating moments in American history is when George Washington could have become the king of the newly liberated United States and didn't. At the height of his power and fame, on Dec. 23, 1783, he resigned his commission as Commander-in-Chief, and went home. The astonished King of England remarked that in doing so, Washington was "the greatest man in the world." Greatness is often defined by what we could do but don't. Greatness is measured by the temptations we overcome.

Jesus' greatness is revealed in his victory over temptations, too. The three offered him by the devil contain, we might say, all potential possible temptations: food, power and fame. They correspond to the triple human needs of body, soul and spirit. In overcoming these three, he says "no" in essence to every and even the greatest temptation. We see that every desire of his humanity — body, soul and spirit — is perfectly united to God, to love. This is a power available to each member of his body. It is the path to true greatness. How can we, who so easily fall into even small temptations, find the power to overcome large ones? By entering into the great dynamics of Jesus' temptations.

Lenten challenge: This first week of Lent, list some concrete ways you can overcome temptations that correspond with your desires. For example, you may give up snacks between meals, choose not to participate in an activity of which you are an expert, and decide to reduce social media posting by 50%. It may not seem like much, but by saying "no" to the tyranny of food, power, and fame (in this example), you'll discover true greatness.

As the three-year National Eucharistic Revival in the United States draws to a close on the Solemnity of the Most Holy Body and Blood of Jesus Christ, we are excited to launch the St. Katharine Drexel Route. The 2025 Drexel Route opens with a Mass of Thanksgiving in Indianapolis on Sunday, May 18th and comes to an inspiring conclusion during Corpus Christi weekend in Los Angeles, where we will process with our Lord around the downtown Cathedral of Our Lady of the Angels.

Catholic pilgrims in California can join an additional Eucharistic Pilgrimage, the Camino de California, that will travel across the state from the northern part of California during June. It will meet up with our Drexel Route pilgrims near the end of their pilgrimage route. The Camino de California is an independently organized effort, distinct from the National Eucharistic Congress and Pilgrimage. For more information visit:

•SAFEGUARD THE CHILDREN

DID YOU KNOW? March 8-9

If you are a safe adult in a child's life, you have the ability to provide a safe place for that child to disclose abuse, discomfort, or any other concerns. This gives safe adults the ability to work together to potentially stop abuse and change the course of a child's life. When children know that adults are willing to listen to them and advocate for them, they are more willing to share their problems and concerns. To learn more about how to use your “safe adult superpower,” read the VIRTUS® article “Superpowers: Safe Adults Have Them” at: lacatholics.org/did-you-know/
