SPIRITUAL COMMUNION

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

Live The Liturgy Inspiration of the Week

Jesus warns us that at any moment we can
be called before God to face judgment. When
we are, our life will be measured not in dollars
or accomplishments, but in what matters to
God. What do we have to show for our time
spent on earth?

Gospel Meditation

Encourage Deeper Understanding of Scripture

Recent studies suggest that millennials will be the first generation in America to be worse off than their parents in terms of financial earnings and job status. Many lament this. I propose that this week's Gospel provides a hopeful way to see the trend as good news.

The Lord Jesus says, **"Take care to guard against greed, for though one may be rich, one's life does not consist in possessions" (Luke 12:15).** Greed damages us with the deception that we are what we possess. But to Jesus, this is simply not true. What makes us happy is who we are, who we become.

Does not the expectation that every generation should do better than their parents subtly mask the poison of greed? A similar attitude is mirrored in the man who demands that Jesus justly arrange his share of the family inheritance. Despite the injustice, Jesus will not play that game. In fact, he seems to prefer that the man have less than his parents. What good would having more be to this man if he becomes enslaved and miserable by greed? What good would it be for us to have more if it means we become much less?

In allowing the man to have less, Jesus opens a space for him to become more: a man free to love. In that much more meaningful sense, perhaps he was better off than his parents. Maybe the millennials will be, too.

The **Knights of Columbus Judge Walter Desmond Council #3449** is named in honor of Judge Walter Desmond who, along with his family, was instrumental in establishing our parish. Judge and Mrs. Desmond met Father Foley, our first pastor, at the first meeting of the newly formed parish and the couple generously provided their home at 3855 Pacific Ave for all masses and services and for a residence for Father Foley that first year. The first mass was held on the Feast of Christ the King, on Sunday, October 29, 1939. We owe a debt of gratitude to Judge Desmond, his family, and the other 109 families who helped establish and grow our parish!

Cybercrime Happens Way More Than You Think!

Large-scale cyberattacks make the news, but that's just the tip of the iceberg. Cybercrime is on the rise, and the majority of attacks go unreported.

Consider the following facts:

A cyberattack
every 36 seconds

The University of Maryland found that there is an average of 2,244 cyberattacks per day, which is one every 36 seconds.

43% of SMB
lack a cybersecurity
defense plan

The International Criminal Police Organization (Interpol) reported that small- and medium-sized businesses (SMB) are being targeted at an increased rate.

\$108 Million lost in
only 6-months

The US Federal Trade Commission, in a recent 6-month period, had seen over 128,000 phone-based fraud scams that cost victims a whopping \$108 Million – that's only half a year!

Staying Safe Starts with YOU!

We often assume cybercrime only happens to someone else but hackers know the easiest way to get to your organization's information is through **YOU!**

Here are some actions to stay safe.

- Be careful what you post and share online.
- Don't reuse passwords for multiple sites.
- Follow your organization's security policies and procedures.
- If something seems suspicious, always verify that it's legitimate.

In the time it took you to read this document, there were multiple cyberattacks across the globe. Make sure you stop, look, and think before you take any sort of action.
