OUR VISION

Holy Family Catholic Church is a vibrant and welcoming faith community, blessed with multicultural diversity, and united with love for the Eucharist.

OUR MISSION

Sharing in the mission of Jesus Christ to "make disciples of all nations" and as responsible stewards of His gifts, we commit ourselves to the evangelization of all our parishioners with charity, courage and humble service.

FROM THE PASTOR'S DESK

Whenever I look at how we have celebrated the Fourth of July in recent years, I get amused. The pandemic years had, in some ways, pushed people away from the church. Yet, it was during that same time period people found fresh ways to be together. During the potluck, I was expecting the usual suspects to be there—the relentless volunteers who are the lifeblood of the parish—and they were! However, it attracted more than the typical crowd. As I went back to the rectory to get a drink, the drone, and my chair (yes, in that order!), I saw a car pull in the driveway and the parishioner inside greeted me and said that it was a long time since he had gone back to Holy Family.

It was this impromptu party that drew him in. I believe that this new habit of gathering in celebration during Independence Day is an offshoot of the regular monthly gatherings of the volunteers during the heyday of our outdoor Masses. Those Masses needed a small army of volunteers, and these countless parishioners were happy to find any excuse to break bread together (outdoors of course).

Now that we are in the thick of summer, the Fourth of July celebration was a good way to start more activities for the parish. On July 14th, we will have a movie night. Aside from the entertainment using our outdoor video wall, we will have vendors that will give us an excuse to take a break from cooking and spend time outdoors with the kids. However, it is also a visible expression of community. Since we are in the topic of moviegoing, it is good to distinguish church attendance with the former. Church is not a place where we go find our seats and simply watch what is going on before us—the altar substituting the movie screen. We are not passive participants but members of the Body of Christ. We all form a unity, a communion of sorts. I believe that the bond of that unity is strengthened if we do things together. For example, our Mass attendance becomes less impersonal if we recognize the other families from OLF or the religious education classes. The people we meet in Mass are no longer random people if we get to see them as well in our Bible study groups or, at the very least, the same line to get funnel cakes.

Church involvement starts with these little things. So, for those who want to deepen their connection with the community but are intimidated by the available options such as volunteering in liturgical ministries, membership in organizations, or taking part parish leadership, these casual gatherings may be a good entry point to gain lasting friendships as well as to a deeper commitment to the wonderful world of communion with the Body of Christ which is the Church. We will have a more activities lined up so that you have encounter the community beyond your Sunday Mass timeslot. Since we are celebrating a milestone year for the parish—seventy-five years of OLF—we are also thinking of a historical walk around the enormous city of Artesia (just kidding, we are just less than two square miles big) visiting important landmarks, such as the site of the first Mass in the area, that were hitherto unknown to us. Doing things together is a simple formula to enhance our communion. The palpable joy of our volunteers is a wonderful inspiration for us to move into that direction.

SAFEGUARD THE CHILDREN

What can you do to prevent human trafficking?

Nearly 46 million adults and children are victims of human trafficking. But even one person can make a difference if he speaks up when he sees something wrong. If you see something concerning or suspicious, be a good witness. Take pictures or video with your cell phone if you can, and call 911 or local law enforcement. Try to remember the details of what you saw. For more information, read the VIRTUS® article "Human Trafficking: What Would You Do in These Scenarios?" at

VOCATIONS**

Heavenly Father, in every generation you provide servants for Christ and the Church.

We come before you now, asking that you call forth more young men and women to serve our Church in the priesthood, diaconate, and consecrated life.

Bless us with many vocations so that we can continue to be a truly Eucharistic Church and a community strengthened in our discipleship of Jesus Christ, your Only Son.

Raise up, we pray men and women who are generous in their service, willing to offer their lives and all their gifts

for your greater glory and for the good of your people.

We make our prayer in the presence and power of the Holy Spirit, through Christ, Our Lord.

Amen.
