Parish Mission Statement

We at St. Mary Magdalen Parish, in union with the Roman Catholic Church throughout the world, celebrate and proclaim the life, death and resurrection of Jesus Christ. We are committed to a rich sacramental life that nourishes our faith, builds our community, and sends us out to respond to Christ's call to holiness. St. Mary Magdalen has deep roots in the history of Camarillo, our membership reflects the rich diversity of our community. As pilgrims on a faith journey, we seek to grow in these particular areas:

Evangelization:

To more fully answer our baptismal call to live and share the life and the love and the message of Jesus Christ.

Spirituality:

To be nourished by the Word and the Eucharist in such a way that our hearts are engaged, our minds are receptive, and our energies are applied to the great adventure of being disciples of Jesus.

Service:

To more generously give of our time, our talents, and our treasure to meet the needs of our parish and the broader community.

Reflection

Jonathan Haidt's 2024 book entitled "The Anxious Generation" argues that today's kids are marked by significant increases in anxiety, as the title suggests. Smartphones, social media, economic uncertainty, the chaos of a global pandemic, fear regarding climate change, and the so-called "meaning crisis" all contribute to strikingly high levels of anxiety in young people today. I'm a bit older than this generation, but I feel it, too. The world can be too much to handle.

The Gospel this week offers a stunning solution for troubled souls. To his overwhelmed and anxious disciples, the risen Jesus says, **"Peace I leave with you; my peace I give to you" (John 14:27)**. His peace is that of the one who was overwhelmed on the cross and then conquered death by the power of his divinity, his bond of love with the Father. He offers us this unshakeable peace.

Of course, mental illness does not magically disappear because of the risen Jesus. But he does walk with us and offer us his peace in the midst of our suffering. The peace the world gives is not like his because it is weak, uncertain, and self-generated. Jesus' peace is strong, sure, and given as a gift from God. He gives it to us amid our anxiety. Will you receive it as a gift? I hope so. He wants to fill the hearts of this generation with his peace.

— Father John Muir

El libro de Jonathan Haidt, publicado en 2024 y titulado "La Generación Ansiosa", argumenta que los jóvenes de hoy se caracterizan por un aumento significativo de la ansiedad, como sugiere el título. Los teléfonos inteligentes, las redes sociales, la incertidumbre económica, el caos de una pandemia mundial, el miedo al cambio climático y la llamada "crisis de sentido" contribuyen a niveles sorprendentemente altos de ansiedad en los jóvenes de hoy. Soy un poco mayor que esta generación, pero también lo siento. El mundo puede ser demasiado para soportarlo.

El Evangelio de esta semana ofrece una solución conmovedora para las almas atribuladas. A sus discípulos abrumados y ansiosos, Jesús resucitado les dice: **"La paz les dejo; mi paz les doy" (Juan 14:27)**. Su paz es la de quien fue abrumado en la cruz y luego venció a la muerte por el poder de su divinidad, su vínculo de amor con el Padre. Él nos ofrece esta paz inquebrantable.

Por supuesto, las enfermedades mentales no desaparecen mágicamente gracias a Jesús resucitado. Pero él camina con nosotros y nos ofrece su paz en medio de nuestro sufrimiento. La paz que da el mundo no es como la suya porque es débil, incierta y autogenerada. La paz de Jesús es fuerte, segura y un regalo de Dios. Nos la da en medio de nuestra ansiedad. ¿La recibirás como regalo? Espero que sí. Él quiere llenar los corazones de esta generación con su paz.

— Padre John Muir

DID YOU KNOW?

AGE-APPROPRIATE CURIOSITY IN SCHOOL-AGED CHILDREN

Last week, we covered young children and natural curiosity about their bodies. This week, we will explore natural curiosity behaviors in school-aged children (around 7-12 years old). It's important to understand the difference between appropriate and inappropriate, as inappropriate behaviors could be a sign of abuse. Common curiosity at this age includes playing games with same-aged friends like "family" or "dating," or wanting privacy. Children at these ages may also begin to take an interest in members of the opposite sex and ask questions about relationships. For more information, scan the code to read the article by Catholic News Service entitled "Differentiating age-appropriate curiosity from harmful sexual behavior".

LIFE-GIVING EVANGELIZATION: WOMEN'S EVANGELIZATION GROUP

When: May 27th, 6:00pm - 7:00pm

Where: Chapel Museum, 2532 Ventura Boulevard

Presenters: Father Larry Dowdel & Jose Miguel Pulido

Saint Mary Magdalen's Women's Evangelization Group is excited to continue the sharing the faith series this summer. This group is dedicated to sharing the faith in the style of the Blessed Mother, so that you and your loved ones may feel seen, loved, and heard as you share the faith. This is especially designed to support communication when we don't know how to start the conversations, if there is a lot of fighting, if there hasn't been any interest in the faith, or other difficult situations. The goal is to evangelize via empathy, relationship, and love. We have a set curriculum of 4 key aspects of Evangelization, including *being heard*, *appreciation*, *listening*, and *thriving together*.

The session in May will cover *being heard*. We will make sure to have prayer aids to support your learning, handouts explaining the structure & purpose of material covered, and a welcoming environment.
