# FROM THE PASTOR:

Dear Santa Clara Parishioners:

As we come to the end of June, we say goodbye to Fr Patrick Ayala and wish him well as he now heads to his next assignment as associate pastor of Our Lady of Grace, Encino. Fr Ayala will be saying goodbye at all main church masses this weekend. We thank Fr Ayala for his excellent spirit of service with our altar servers, his work in marriage preparation, and his overall fine priestly service. As I told him when he arrived three years ago, my number one priority for a newly ordained priest was to make sure he is happy and enjoying his ministry, and I pray that he now takes the spirit of happiness and service to Santa Clara to his future assignments. God bless you, Fr Ayala!

During most all of July, I will be out of state on temporary duty with US SPACECOM for the Air National Guard, visiting remote sites and installations all over the PACAF, including Guam, Hawaii, and Alaska. I thank you all for your kind understanding as you allow me to spend my final years with the Air Guard in service to our State and our nation working with our space operators throughout the world. This coming month, our parish and chapel welcome into our midst our annual visitor Fr Ben Roberts from North Carolina, who is a cousin of our chapel youth minister, Pete Rydberg. We also welcome Fr Peter Chiopsa, who is a priest from Malawi but currently serving in the Diocese of San Sebastian, Spain. Fr Chiopsa is the nephew of Joe and Khells Neil. Finally, on the weekend of July 20-21st, (the same weekend as our Chapel Fiesta) we will welcome our annual Mission Appeal priest, Fr Miguel Angel Ortiz, OFM, cap. He will be present at our main church to share the wonderful story of the Capuchin missionary effort. The OFM, caps are dear friends of mine, and I am grateful to them all for their witness to poverty and missionary work. Thank you for contributing to the Annual Missionary Appeal. For more info on the Cap missions, please visit: <https://capuchinswest.org/our-mission/>

Summer Blessings to all!

Fr. John Love

Pastor

### DID YOU KNOW?

 Trust your instincts when it comes to human trafficking. Human trafficking is happening in more places than you would think, and often it passes unnoticed because traffickers are highly skilled. If you see a situation that does not feel right, or you observe something inappropriate or concerning, you could be saving someone's life by reporting it. Often, trafficking can be noted by small indicators: someone who is deferring to another person often, or who is often controlled in who they can talk to or what they can say. Victims will also often appear to be timid or fearful, especially of a particular person, and to be isolated from other friends, family, and community members. For more information, read the VIRTUS® article "Know the Facts: Abductions and Human Trafficking" at [lacatholics.org/did-you-know/](http://lacatholics.org/did-you-know/).
