SIXTH SUNDAY OF EASTER - YEAR B

GOSPEL – JOHN 15:9-17

*“As the Father loves me, so I also love you.
Remain in my Love”*

Today's readings focuses on love. They show that God's love is for everyone. God welcomes everyone into His family. They emphasize that **love is central to knowing God**, because God is love. Jesus tells us to love each other as He has loved us, which is key to following Him. He explains that the greatest love involves sacrifice, like His sacrifice for us. Jesus also calls us **FRIENDS**, not just followers. This is how He shows a deep, personal relationship with us. Loving as Jesus did involves making sacrifices for others and **keeping God's commandments**, which leads to true joy and friendship with Him. This joy is deeper than temporary happiness because it connects us with God's love.

Jesus emphasizes the importance of sacrificial love, friendship, and the sharing of divine truths. →

He assures His disciples that their efforts in His name will be fruitful and that their prayers will be answered, reinforcing the command to love one another deeply.

LOVE IS AT THE HEART OF OUR CHRISTIAN LIFE!

REFLECTION:

How can we show God's love to those who are different from us?

St. Martha Parish is one of the parishes where the “ SILVER ROSE “ will visit on its way from Canada to Mexico. It's a rosary-centered occasion for the KNIGHTS of COLUMBUS and the parish community to pray for the respect for life, spiritual renewal and for the advancement of the message of our Lady of Guadalupe ; that of God's unceasing love and mercy towards all men. This year it will be on **May 6, Monday with mass at 8AM**. The Holy Rosary will be prayed after the mass to be lead by the KNIGHTS.

The Archdiocese of Los Angeles

SAFEGUARD THE CHILDREN

DID YOU KNOW?

Bullying and disabilities

A child with a disability, such as hearing loss, language impairment, learning disabilities, or physical disabilities, is often at increased risk for bullying. Children who struggle to understand social cues or control impulsive physical behaviors are also at increased risk, as bullies may see this behavior as aggressive, prompting an aggressive response. Children with learning disabilities are also sometimes easy targets for theft and vandalism. In schools, teachers and volunteers should be aware of these extra risks and watch for red flags. For more information, read the VIR-TUS® article "Children Living with Disabilities and Risk for Child Maltreatment and Victimization" at lacatholics.org/did-you-know/.

Una nota de:

La Arquidiócesis de Los Angeles

PROTEGIENDO A LOS NIÑOS

¿SABE USTED?

Bullying o acoso y discapacidades

Un niño con una discapacidad, como pérdida de audición, problemas de lenguaje, problemas de aprendizaje o discapacidades físicas, a menudo corre mayor riesgo de sufrir acoso. Los niños que tienen dificultades de entender las señales sociales o el control de comportamientos físicos impulsivos también corren un mayor riesgo, ya que los acosadores pueden ver este comportamiento como agresivo, lo que provoca una respuesta agresiva. Los niños con problemas de aprendizaje también son a veces blancos fáciles de robo y vandalismo. En las escuelas, los profesores y los voluntarios deben ser conscientes de estos riesgos adicionales y estar atentos a las señales de alerta. Para obtener más información, lea el artículo en inglés de VIR-TUS® "Children Living with Disabilities and Risk for Child Maltreatment and Victimization" (Niños que viven con discapacidades y riesgo de maltrato y victimización infantil) en lacatholics.org/did-you-know/.
