CHALLENGE

22ND SUNDAY IN ORDINARY TIME

GOSPEL – MARK 7:1-8, 14-15, 21-23

“You disregard God’s commandment but cling to human tradition.”

The Gospel of Mark tells us about a time when Jesus was challenged by the Pharisees. They were focused on external rituals, like washing hands, rather than the heart. Jesus explained that true purity comes from within.

Our thoughts and actions show our true selves. Evil thoughts and actions come from within and defile us. Jesus teaches that what matters most is our inner purity.

We should focus on our hearts and minds, not just external practices. By keeping our thoughts and actions pure, we live in a way that honors God. This inner purity is what truly pleases Him. →

Reflection:

What does true purity mean to me?

Prayer for Labor Day

Dear Lord,

Bless and protect the men and women whose hard work provides food and shelter to them and their families, services to our communities, and care to our world. Be with them as they work, but also as they rest and recreate in Your care. Amen.

Oración por el Día del Trabajo

Querido Señor,

Bendice y protege a los hombres y mujeres cuyo arduo trabajo les proporciona alimento y refugio a ellos y a sus familias, servicios a nuestras comunidades y cuidado a nuestro mundo. Quédate con ellos mientras trabajan, pero también mientras descansan y se recrean bajo Tu cuidado. Amén.

SAFEGUARD THE CHILDREN

DID YOU KNOW?

Should your child be friends with teachers on social media?

It is an adult's responsibility to maintain safe, appropriate boundaries with the children in his or her care. For teachers, this means keeping things professional in school and beyond – including online. Parents should be aware of who their children are friends with on social media sites, especially if their friends lists include teachers, coaches, or other authority figures. For more information, read the VIR-TUS® article “‘Friending’ Students on Social Media” at lacatholics.org/did-you-know/.

La Arquidiócesis de Los Angeles

PROTEGIENDO A LOS NIÑOS

¿SABE USTED?

¿Debería su hijo ser amigo de sus profesores en las redes sociales?

Es responsabilidad de un adulto mantener límites seguros y apropiados con los niños bajo su cuidado. Para los profesores, esto significa mantener el profesionalismo en la escuela y fuera de ella, incluso en línea. Los padres de familia deben saber quiénes son las amistades de sus hijos en las redes sociales. Especialmente si sus listas de amigos incluyen a maestros, entrenadores u otras figuras de autoridad. Para obtener más información, lea el artículo en inglés de VIRTUS® “‘Friending’ Students on Social Media” (Hacer “amistad” con los estudiantes en las redes sociales) en lacatholics.org/did-you-know/.
