CHALLENGE

Congratulations to our First Year Confirmation Candidate in taking their first step toward Confirmation by saying **YES!** May you feel the Lord's embrace. May you sense his guiding presence in each challenge that you face and may you realize how deeply loved and precious you are. Enjoy this JOURNEY, we will walk with YOU!

28th SUNDAY IN ORDINARY TIME – YEAR B **GOSPEL – MARK 10:17-30**

“Children, how hard it is to enter the kingdom of God! It is easier for a camel to pass through the eye of a needle than for one who is rich to enter the kingdom of God.”

True wisdom is found in Jesus Christ, not just in following commandments. Trust in His promise of eternal life, urging us to examine what possessions or attachments hold us back from fully following Him.

Reflecting on the readings will help us understand the value of wisdom, the importance of God's word, and the need to detach from worldly possessions. Let us open our hearts to these messages and grow in our faith. →

If we trust in God and seek His help, we can overcome the obstacles that keep us from following Him. Nothing is impossible with God!

These teachings lead us to a deeper relationship with God. May we open our hearts to these messages and grow in our faith and commitment to Jesus.

Reflection: What steps can you take to detach from things that hinder your relationship with God?

42nd Annual Red Mass

SAFEGUARD THE CHILDREN

DID YOU KNOW?

Taking pictures or videos of a minor without permission

What can be done if a person is taking pictures of a minor in a public place? Although it is legal that a person can take pictures or videos in a public place, there are sometimes extenuating circumstances that require adults to pay more attention. Is the person taking photos acting suspiciously — focusing on only minor children, for example, or zooming in on specific body areas of their subjects? Are they hovering around groups of children with no seeming reason for being there? If you have concerns, speak up. Ask why the photos are being taken, or if the person is willing to delete the images of your child. From there, you can decide if you need to get the authorities involved. For more information, read the VIRTUS® article “When People Take Photos and Videos of Minors Without Permission” at lacatholics.org/did-you-know/

La Arquidiócesis de Los Angeles

PROTEGIENDO A LOS NIÑOS

¿SABE USTED?

Tomar fotografías o videos de un menor sin permiso

¿Qué se puede hacer si una persona está tomando fotografías de un menor en un lugar público? Aunque es legal que una persona pueda tomar fotografías o videos en un lugar público, a veces hay circunstancias atenuantes que requieren que los adultos presten más atención. ¿La persona que toma las fotografías está actuando de manera sospechosa, enfocándose solo en niños menores, por ejemplo, o haciendo zoom en áreas específicas del cuerpo de sus sujetos? ¿Están rondando grupos de niños sin ninguna razón aparente para estar allí? Si tiene inquietudes, hable. Pregunte por qué se están tomando las fotos o si la persona está dispuesta a eliminar las imágenes de su hijo. A partir de ahí, puede decidir si necesita involucrar a las autoridades. Para obtener más información, lea el artículo de VIRTUS® en inglés, “When People Take Photos and Videos of Minors Without Permission” (Cuando las personas toman fotos y videos de menores sin permiso) en lacatholics.org/did-you-know/.
