GOSPEL – JOHN 2:1-11

“Do whatever he tells you.”

Jesus' action at Cana also symbolizes how He can transform our lives. Just as He changed water into wine, He can change our hearts and make us new. This story encourages us to trust in Jesus' ability to help and guide us.

We can reflect on this miracle by thinking about areas in our lives that need change. We should ask Jesus to help us grow and improve. By trusting in His power, we can experience positive changes and become better followers of Christ.

Reflecting on Mary's role can inspire us to have faith and trust in Jesus. We should follow her example by bringing our needs to Jesus and believing in His power to help.

Mary's care and faith remind us to turn to Jesus in times of need.

Reflection: What gifts of the Holy Spirit do you recognize in yourself?

SAFEGUARD THE CHILDREN

DID YOU KNOW?

Small actions to take for child safety

Being a safe adult is more than just taking some classes on abuse prevention and filling in the right answers. Adults who model healthy behaviors are a strong example for children, helping them distinguish safe from unsafe adults. Basic actions, like wearing a seatbelt, obeying school rules and ministry guidelines, and always acting in a way that supports children can help build a safe community. For more ideas, read the VIRTUS® article "Modeling healthy behaviors" at lacatholics.org/did-you-know.

PROTEGIENDO A LOS NIÑOS

¿SABE USTED?

Pequeñas medidas para la seguridad de los niños

Ser un adulto de confianza es algo más que tomar algunas clases sobre prevención de abusos y rellenar las respuestas correctas. Los adultos que modelan comportamientos saludables son un buen ejemplo para los niños y les ayudan a distinguir a los adultos seguros de los que no lo son. Acciones básicas pueden ayudar a construir una comunidad más segura como: llevar puesto el cinturón de seguridad, obedecer las normas escolares y las directrices de los ministerios, y actuar de forma que apoya a los niños. Para obtener más información, lea el artículo en inglés de VIRTUS® "Modeling healthy behaviors" (Pequeñas medidas para la seguridad de los niños) en lacatholics.org/did-you-know.
