CHALLENGE

14th SUNDAY IN ORDINARY TIME – YEAR A

Gospel – Matthew 11:25-30

Theme: "God's gentle peace" Focus: "Rest in Jesus"

"Come to me, all you who labor and are burdened, and I will give you rest."

Jesus is our source of strength. He understands our struggles and offers us peace. When we rely on him, we find hope even in hard times. These reflections encourage us to trust in God, seek rest in Jesus, and lean on his love every day.

Prayer: Lord, you are our refuge in times of trouble. Help us to trust in you when life feels heavy. Teach us to rely on your strength instead of our own. Give us peace when we are weary. May we always turn to you and find rest in your loving care. Amen.

Reflection: How do you find peace in difficult times?

A note from:

The Archdiocese of Los Angeles

SAFEGUARD THE CHILDREN

DID YOU KNOW?

What is grooming?

Child safety experts consider grooming a core component of sexual abuse. Grooming is a manipulative process in which a person who intends harm gains access to a child, often through behaviors that seem innocent, and builds up a relationship that will ultimately allow the predator to abuse the child. Children who are groomed are slowly taught to accept and excuse any behaviors by the predator, because of the relationship that has been built up over time. A predator relies on manipulation to reduce a child's resistance and to maintain secrecy. For more information on grooming, read the VIR-TUS® article "Behind the Smile: Uncovering the Warning Signs of Grooming, Part 1" at: lacatholics.org/did-you-know.

Una nota de:

La Arquidiócesis de Los Angeles

PROTEGIENDO A LOS NIÑOS

¿SABE USTED?

¿Qué es el grooming?

Los expertos en seguridad infantil consideran que el "grooming" o engaño que violan límites personales es un componente fundamental del abuso sexual. El "grooming" es un proceso manipulador en el que una persona con intenciones maliciosas se gana la confianza de un niño mediante comportamientos que parecen inocentes y establece una relación que permitirá al depredador abusar del niño. A los niños que son víctimas del "grooming" se les va enseñando poco a poco a aceptar y justificar cualquier comportamiento del depredador, debido a la relación que se ha ido construyendo con el tiempo. El depredador recurre a la manipulación para reducir la resistencia del niño y mantener el secreto. Para mayores informes lea el artículo de VIRTUS® "Behind the Smile: Uncovering the Warning Signs of Grooming, Part 1" (Detrás de la sonrisa: cómo detectar las señales del "grooming", parte 1) en: lacatholics.org/did-you-know.
