2023 Archdiocesan Annual Appeal

"Your World is a Lamp for my feet, a light for my path."
~Psalm 119:105

We are \$54,702 away from our Campaign goal of \$122,646.

Thank you to those who have already given and if you have yet to give,
please go to sfarch.org/aaa and donate now! Every amount helps!

Each year the Archbishop asks our support for the Archdiocese of San Francisco through the Archdiocesan Annual Appeal (AAA). The gifts received through the Appeal are able to support ministries, programs and services at a level that an individual donor or individual parish would not be able to by itself. You can find the complete list of the Appeal's benefits on the Archdiocesan web site sfarch.org/aaa.

Junipero Serra High School encourages international students to apply to our International Student Program and be part of the Serra family.

Serra is looking for Homestay Families for International students for the 2023 school year.

Homestay Program

We believe that a quality international program is one that places our international students in the homes of Serra families, where the young men will have the support and warmth that only a family environment can provide. Both the international student and the Serra family will embark on an unparalleled, enriching experience—one that will create relationships that will last a lifetime. Host families will encourage the continued use of English skills, provide academic and social guidance, and generally support the student as he is immersed into the American culture.

For information on hosting a student, please [click here](#) or contact Mike Keller at mkeller@serrahs.com.
