Prayer for the Sick-Requests

We want to join you in praying for your intentions. Please write your intentions here and put this in the collection basket, or contact our Pastoral Center.

Please pray for:

Let us know when God has heard your prayers so that we may rejoice with you!

As you know, Bishop Danny Garcia is now the Bishop of Austin, Texas. He was installed as the Bishop of Austin on September 18 and I was able to fly out and attend the event along with a contingent of other priests and lay faithful from the Diocese of Monterey. The Catholic Church in Austin is very vibrant and the events were very well organized and executed. Huge Church. Lots of Bishops, Lots of Priests, Lots of People. I was hosted at the rectory of a priest friend of mine and was able to catch up with him. I also was able to visit a longtime friend of mine and meet his wife and children for the first time.

The morning after the installation it was announced that the Pope had appointed Bishop Slawomir Szkredka (pronounced SLA-vo-mir sh-KRED-ka) an auxiliary bishop of the Santa Barbara Region of the Archdiocese of Los Angeles as our temporary Bishop of Monterey - the technical title is Apostolic Administrator - as we await the appointment of the permanent Bishop. I was able to meet with him on Thursday September 25 and received a very good impression. Let's pray for him as he is going to keep his full time job as the LA auxiliary Bishop while he helps us here in Monterey.

For around 8 years now our parish has hosted the celebration of the Traditional Latin Mass (TLM). The celebration of that Mass at our parish will come to an end on October 12th. Although the celebration according to the liturgical books from 1962 will end, the options for celebrating Mass in the current Roman Missal include many traditional elements including the use of Latin and Gregorian Chant. I do see a need in our community to have a celebration of the Mass along these lines. I will be working with the members of the TLM community who would like to participate and with Fr. Carlos to get something going over the next few weeks. - Fr. Stephen
