

Saint John Vianney Catholic Church

Disciples making Disciples

October 27, 2024 Thirtieth Sunday in Ordinary Time

Pastor's Corner

Sisters and Brothers, This week I share with you a beautiful prayer written by the late Bishop of Saginaw, Michigan, Bishop Ken Untener

Archbishop Oscar Romero Prayer A Step Along the Way

It helps, now and then, to step back
and take a long view.

The kingdom is not only beyond our efforts,
it is even beyond our vision.

We accomplish in our lifetime only a tiny fraction of
the magnificent enterprise that is God's work.

Nothing we do is complete,
which is a way of saying that

the Kingdom always lies beyond us.

No statement says all that could be said.

No prayer fully expresses our faith.

No confession brings perfection.

No pastoral visit brings wholeness.

No program accomplishes the Church's mission.

No set of goals and objectives includes everything.

This is what we are about.

We plant the seeds that one day will grow.

We water seeds already planted, knowing that they
hold future promise.

We lay foundations that will need
further development.

We provide yeast that produces
far beyond our capabilities.

We cannot do everything,

and there is a sense of liberation in realizing that.

This enables us to do something,
and to do it very well.

It may be incomplete, but it is a beginning,
a step along the way, an opportunity for the Lord's
grace to enter and do the rest.

We may never see the end results,
but that is the difference between the master builder
and the worker.

We are workers, not master builders;
ministers, not messiahs.

We are prophets of a future not our own.

Amen
