

THE CATHEDRAL OF ST. EUGENE

**OUR LORD JESUS CHRIST,
KING OF THE UNIVERSE
NOVEMBER 24th, 2024**

The **Solemnity of Our Lord Jesus Christ, King of the Universe** was established by Pope Pius XI in 1925 as an antidote to secularism, a way of life which leaves God out of man's thinking and living and organizes his life as if God did not exist. The feast is intended to proclaim in a striking and effective manner Christ's royalty over individuals, families, society, governments, and nations.

The Holy Father's Intentions for the Month of November 2024. For anyone who has lost a child: We pray that all parents who mourn the loss of a son or daughter find support in their community and receive peace and consolation from the Holy Spirit.

Immaculate Conception of the Blessed Virgin Mary

The Bishop of the Diocese of Santa Rosa has seen fit to dispense with the obligation of attending Mass this Dec 9th. However, we are still having masses at 6:45am, 8:00am, 5:30pm and 7:00 pm. Please join us in the Cathedral on Monday Dec 9th.

Those who can observe the Solemnity by participating in the Holy Mass are encouraged to do so and, in this way, give fitting honor to The Blessed Virgin Mary, Patroness of our Nation. The faithful are also reminded of their duty to abstain from those works and affairs which hinder the joy proper to this day or the suitable relaxation of mind and body.

Tree Removal

We **finally!** got the ok from the city. The large silver maple that sits on the south west corner of the property is being removed November 25th and 26th. It has begun to die. It will be replaced with a different species that will not get as big. Be prepared for traffic congestion.

Pastor's Desk

Dear People of God,

Here we are in the midst of the busy "holiday" season of our society. We easily get caught up with all the different things that we have to do. We buy this, make lists of that, and find that we deplete our energy and neglect things that are very important to us. Let us remember God and our relationship with Him. Let us remember to give Him thanks for all of the wonderful and good blessings that He has bestowed upon us. We should celebrate this day of Thanksgiving, which is fairly unique to this country, with a spirit of gratitude toward God who is the author of life and all that is good. The Thanksgiving Day table is a great time to spend a moment reflecting upon all that has been given to us, the things for which we are especially thankful, and to remember all of those who lack the basic necessities of life.

The historiography of Thanksgiving is rather puzzling. Some say that there really was an original event of a shared meal between the Native peoples of the New England area and English colonists, while others believe that that story was later invented to give Thanksgiving Day more caché as a holiday. Other sources state that there could have been multiple events in which people from the different cultures had collaborative meals. What we do know is that Thanksgiving as a day became more and more common in the 19th Century and by the end of the century, it became an established holiday. It was commonly celebrated on the final Thursday of the month, though some preferred the second to last Thursday of the month. Eventually, it was settled by making it the fourth Thursday which might be the last or the second to last Thursday of November.

Give thanks to God!

Fr. Samuel Moses Brown

Thanksgiving Day Mass

On Thursday, November 28, we will not have our usual morning Masses at 6:45 and 8:00 am. We will have one Mass at 9:00 am to give thanks for the many blessings we have been given by Almighty God. We have been blessed with faith and with an amazing parish family. A collection will be taken. Let us pray for all of those who are in pain, despair and loneliness on this day of happiness and thanksgiving.

Membership Database Maintenance

For cash donors or new parishioners only. Welcome envelopes are available in the pews to help us know if you want to remain active in our system or register as a new parishioner. We want to know you are here! Otherwise, you risk being inadvertently purged from our membership database if you give by cash with no envelope.

If you are registered with the parish and give online, by check or use our envelopes for cash gifts, you don't need to do anything.

Thank You

Why Catholic Education

Catholic school education is distinguished by these principles:

- School and parents are educational partners.
- The school engages the 'whole person' of the student.
- Teachers are professionally competent and personally suited to educate.
- The Catholic school uniform reflects a self-respect and reverence for the God Who made you. The uniform also creates a culture of discipline order in the school.

Consider Adopting-A-Student in your year end charity. Many of our students still need financial assistance. For information contact Fr. Sanchez.

Holiness does not consist in not making mistakes or never sinning. Holiness grows with the capacity for conversion, repentance, willingness to begin again, and above all with the capacity for reconciliation and forgiveness." -- Pope Benedict XVI
